Illiquid Securities List Update – effective 4/5/2025

1. On Sunday, 4 May 2025, the illiquid securities list (hereinafter: “the List”) was updated. Securities listed on the List are traded twice daily in call auctions, at the beginning of the trading day and at its close, but are not traded in the continuous trading phase. The List is determined based on trading volume figures for the six months ending 27 February 2025.
2. The attached Appendix A contains a list of illiquid securities that, as of today, have not been registered to the Stock Exchange's new market-making program that began on Sunday, May 4, 2025. Accordingly, they are included in the list. These securities will be removed from the list and will also be traded in the continuous phase, if they are registered to the new market-making program, as stated.
3. The attached Appendix B contains a list of illiquid securities, that were registered to the Stock Exchange's new market-making program that began on May 4, 2025 and are therefore expected to continue to be traded in the continuous phase.
4. The attached Appendix C contains a list of illiquid securities that are currently included in the TAMAR universe and therefore, are expected to continue to trade in the continuous trading phase as well.
