On December 8, 2005, the Reporting Person established a two-year, irrevocable blind trust with respect to 215,000 Ordinary Shares. The Reporting Person is not deemed to beneficially own the shares held by the trust. Commencing March 2006, the trust will run a yield enhancement program with respect to the shares. The objective of the program is to extract value from the volatility of the shares while enabling the Reporting Person to maintain his holdings in the shares, subject to market conditions. The program will be run by actively managing the selling and buying back of options with respect to the shares. Shares of the trust might be assigned and delivered pursuant to transactions effected under the program. After two years, if the trust is not extended, the shares owned by the trust at that time will be distributed from the trust to the Reporting Person.
