The content shall not be used for unlawful or unauthorized purposes. S&P and third parties providing it services, including their directors, managers, shareholders, employees or their agents (hereinafter, together, S&P and related parties) do not guarantee the accuracy, completeness, timeliness or availability of the content. S&P and related parties are not responsible for errors or omissions (whether arising from negligence or otherwise), for any reason, for results stemming from use of the content, or for the security or maintenance of information provided by users. The content is provided on an AS-IS basis.

S&P and related parties make no commitment or representation, express or implied, including, but not limited to, regarding sufficient quality or fitness for any particular purpose, absence of bugs, software errors or defects, or that the content will be uninterrupted, or that the content will function with any software or hardware configuration.

In any case, S&P and related parties shall bear no liability for any direct and/or indirect damages of any kind, including incidental or consequential damages, exemplary damages, punitive or special damages, costs, expenses, legal expenses or losses (including, without limitation, compensation for loss of revenue or profits, loss of business opportunities, or losses caused by negligence), incurred in connection with the use of the content, even if forewarned of the possibility of such damages.

Ratings and other analytical opinions, including the ratings and other information contained in the content, are expressions of opinion as of the publication date and do not constitute statements of fact. The ratings and other analytical opinions of S&P do not constitute recommendations to purchase, hold or sell any securities, or decisions regarding making investments, and do not address the suitability of any securities. S&P undertakes no obligation to update the content after its publication in any form or format. The content should not be relied upon for making investment decisions or other business decisions, and it is not a substitute for the skills, judgment, or experience of users, their management, employees, advisors and/or clients in making such decisions. S&P does not serve as an expert or investment or securities advisor, except where it is registered as such. Rating reports are valid as of their publication date. S&P updates rating reports following ongoing surveillance or annual review.

S&P collects information from sources it believes to be reliable, but does not audit the information and is not obligated to perform due diligence or independent verification of the information it receives. S&P may publish reports related to ratings for various reasons not necessarily as the result of a rating committee, including periodic publication regarding credit ratings and related analyses.

In order to preserve the independence and objectivity of the activities of S&P's various units, S&P maintains separation between these activities. As a result, certain units may possess information not available to other S&P units. S&P has established procedures and processes to safeguard the confidentiality of certain non-public information received in connection with any analytical process it conducts.

S&P receives monetary compensation for providing its rating services and analytical analyses, usually from the issuers or underwriters of the rated securities, or from debtors. S&P reserves the right to distribute its opinions and analytical analyses. S&P's public ratings and analyses are posted on the S&P Maalot website at maalot.co.il or

on the S&P website at spglobal.com/ratings, and may also be distributed through other means, including S&P publications and

third party publications.
