(... similar details for each other change in the document ...)

**Explanations regarding this table:**

1. If the change affects more than one security, its effect must be detailed in a separate row for each security.
  2. Change date - All changes of the same type, on the same security, made on the same day, are summarized in one row. Changes performed via the clearing house should be reported separately from those performed directly in the company's books.
  3. For a decrease, add the sign "-".
  4. All quantity fields must contain the amount of securities, not nominal value in NIS.
