**Explanations:**

1. If the change affects more than one security, describe each security in a separate row.
2. Date of change – All same-type changes in one security on the same day should be summed in one row. Separate changes via the TASE clearing from those entered directly in the company's books.
3. For decrease, add the symbol "-".
4. For all quantity fields, state the number of securities, not their NIS par value.
