Explanations:

1. If the change affects more than one security, detail the impact for each security in a separate line.
2. Change date – all same-type changes in the same security, executed on one day, are combined in a single row. Separate changes via TASE clearing and those directly in company books.
3. For a decrease, add the sign "-".
4. Quantity fields must show quantity of securities, not NIS par value.

3. Key details of the share registry as of report date are as follows:
