Explanations:

1. If the change affects more than one security, detail the effect of the change in a separate line for each security.
2. Change date – all changes of the same type, in the same security, made on one day will be summed in one line. For this purpose – changes executed via the TASE Clearing House must be distinct from changes made directly in the company's books.
3. The change – for a decrease add the sign "-".
4. In all quantity fields, the number of securities must be filled in and not NIS par value.

3. The main points of the shareholders register at the reporting date are as follows:
