Notes:

- 1. If the change affects more than one security, the effect should be detailed in a separate row for each security.
- 2. Change date – all changes of the same type in the same security on the same day are summed in one row. For this matter – differentiate between changes made via the exchange clearing house and direct changes in the company's records.
- 3. For reductions, add a "-" sign.
- 4. All quantity fields should state the number of securities and not the amount in shekels par value.
