Results of the Special General Meeting of Shareholders and Series II Options:

On November 2, 2011, the Registrant held Special General Meetings of its Shareholders and holders of its Series II Options for the purpose of approving an extension to the exercise period of the Series II Options from December 28, 2011 until June 30, 2013 (the "**Extension**"), as previously reported

Holders of 2,073,842 Series II Options participated in the Special General Meeting of holders of the Series II Options, all of which voted for the Extension.

Shareholders holding 43,580,377 shares participated in the Special General Meeting of Shareholders, out of which 18,400,549 shares voted for the Extension while 25,179,828 voted against.

Since approval of the Extension required the approval at each Special General Meeting of at least 75% of the voting power of those entitled to vote at such Meeting and who voted on the proposal at the applicable Meeting, the Extension was not approved.

As a result of the foregoing, the Registrant will inform the Jerusalem District Court in Israel, which, as previously reported, had approved the Company's Motion to bring the Extension for the approval of its shareholders and holders of its Series II Options, that the proposed Extension was not approved and shall not be effected.

This report on Form 6-K is being incorporated by reference into all effective registration statements filed by us under the Securities Act of 1933.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
