“David is an accomplished CFO and business leader, with more than thirty years’ experience in a range of roles with highly respected organisations, including BHP, CSL and Orica,” Mr Dunn said.

“David brings an extensive set of skills and experience to the Board, including deep expertise in capital management, project risk assessment, cost management and debt/capital markets.”

Mr Lamont, who will remain in his current role of Senior Executive Officer with BHP until February 2025, said he was excited by the opportunity to join Telstra.
