IPS Securex proposes 2-for-1 share split to improve liquidity

SINGAPORE, 5 December 2014 – IPS Securex Holdings Limited ("IPS Securex" or the "Company" and together with its subsidiaries, the "Group"), a leading provider of security products and integrated security solutions with an established regional presence in the Asia-Pacific, today announced that it is proposing a share split of every one existing ordinary share held by shareholders of the Company into two shares.

The Company currently has an issued and paid-up share capital of approximately S$9.4 million comprising 81,000,000 shares. Following the completion of the proposed share split, an additional 81,000,000 shares will be allotted and issued, and the Company will have an issued and paid-up share capital of approximately S$9.4 million comprising 162,000,000 shares. All the shares will rank *pari passu* with one another and existing shareholders will not be required to make any payment in respect of the proposed share split.

Commenting on the proposed share split, Mr Kelvin Lim (林青宋), Executive Director and Chief Executive Officer of IPS Securex said: ***"The demand for our Company's shares appears to be strong as seen from trading patterns in the past few months. We believe that the proposed share split will increase the market liquidity of our shares and provides greater affordability and accessibility for those who wish to participate in the equity of our Company."***

The proposed share split is subject to approval from shareholders at an extraordinary general meeting ("EGM") of the Company and additional details of the proposed share split and the EGM will be included in a circular to shareholders which will be distributed to them in due course.

End.
