IPS Securex to participate in INTERPOL World 2015

SINGAPORE, 25 February 2015 – IPS Securex Holdings Limited (“IPS Securex” or the “Company” and together with its subsidiaries, the “Group”), a leading provider of security products and integrated security solutions with an established regional presence in the Asia-Pacific, today announced that it will be participating in INTERPOL World 2015, a biennial trade event that focuses on public-private partnerships, from 14 to 16 April 2015 at Sands Expo & Convention Centre, Singapore (the “Expo”).

INTERPOL World 2015 will feature over 250 solution providers from over 25 countries in the areas of cybersecurity, public safety, surveillance, intelligence, forensics and investigations, counter terrorism, anti-counterfeiting and other technologies. The Expo is expected to have around 450 decision-makers from INTERPOL’s 190 member countries in attendance, learning and sharing from each other, and is held in conjunction with the INTERPOL World Congress. This year, the Expo and the Interpol World Congress are focusing on the areas of Cybersecurity, Safe Cities, Border Management and Supply Chain Security.

Mr Kelvin Lim (林青宋), Executive Director and Chief Executive Officer of IPS Securex commented: ***“INTERPOL World is an excellent opportunity for us to showcase our wide range of security solutions to potential customers while further raising the awareness of our Company across the Asia-Pacific and beyond. We are confident that we will get more business leads once our potential customers learn more about the quality security solutions that we have to offer.”***

The Company will be occupying booth L1-B28, a 36 square metres area that will showcase the Group’s security solutions including Leidos, Inc.’s cargo and vehicle inspection technology, PepperBall Technologies Inc.’s less-lethal weapons, Ultra Electronics Undersea

Sensor System, Inc.'s acoustic hailing systems, MOBOTIX AG's closed-circuit television ("CCTV") systems, Primion Technology AG's security systems, Accipiter Radar Technologies Inc.'s radar and sensor systems, Bio-Nexus Research Pte. Ltd.'s software platform and many others.

About INTERPOL World (<https://www.interpol-world.com>)

INTERPOL World is a biennial trade event which promotes public private partnerships and serve as a business platform for security manufacturers and service providers to offer innovative security solutions to law enforcement agencies, government officials and security professionals from the commercial sectors. INTERPOL World creates an environment for public and private sectors to come together to identify, develop and drive security initiatives for real world security situations across four key domains : Cybersecurity, Safe Cities, Border Management and Supply Chain Security.

INTERPOL World is owned by INTERPOL and supported by Singapore's Ministry of Home Affairs. The first INTERPOL World will take place in Singapore from 14 to 16 April 2015 and will be alongside the official opening of the INTERPOL Global Complex for Innovation (IGCI) and the 22nd INTERPOL Asian Regional Conference.
