SINGAPORE, 13 May 2015 – **IPS Securex Holdings Limited** (“IPS Securex” or the “Company” and together with its subsidiaries, the “Group”), a leading provider of security products and integrated security solutions with an established regional presence in the Asia-Pacific, is pleased to announce that its wholly-owned subsidiary, **IPS Securex Pte. This new supply agreement allows IPS to reach out to countries in the whole of Asia-Pacific rather than to distribute PepperBall Products to only Vietnam, Indonesia, Malaysia and Cambodia as IPS was previously authorised to.

Mr Kelvin Lim (林青宋), Executive Director and Chief Executive Officer of IPS Securex commented: ***“As the exclusive master distributor for PepperBall Products within Asia-Pacific,***

we can showcase to more countries the efficacy of PepperBall Products as one of the leading brands of non-lethal countermeasure products and accessories for riot control or the apprehension of a live suspect. We are also exploring co-manufacturing, product assembly and service efforts with UTS, and with the additional setting up of exclusive service centres for UTS' products and accessories, including PepperBall Products, our maintenance and leasing business segment can grow further."

Establishing Exclusive Service Centres for UTS' Products and Accessories

In addition, IPS has entered into a business agreement with UTS to establish exclusive service centres within Asia-Pacific. These service centres will service all product returns and repair works on UTS' line of products and accessories, which includes PepperBall Products.

Exploring Co-Manufacturing of UTS Products

IPS has also entered into a Memorandum of Understanding ("MOU") with UTS to establish a development partnership and a joint collaboration to mutually explore opportunities for component manufacturing, product assembly, and product service. This MOU will remain in force through 11 May 2016, during which IPS and UTS shall use their best endeavours toward the execution of the definitive agreements.
