PROFIT GUIDANCE FOR THE HALF YEAR ENDED 30 JUNE 2026

The board of directors (“**Board**”) of Secura Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform shareholders of the Company and potential investors that, following a preliminary review of the Group's unaudited consolidated financial results for the half year ended 30 June 2026 (“**1H 2026**”), the Group is expected to report a net loss for 1H 2026.

The net loss is mainly attributable to (i) higher upfront mobilisation and operational set-up costs incurred in connection with the ramp-up of recently secured contracts, coupled with lower government support compared to the corresponding period; (ii) the timing of contract fulfilment and execution; and (iii) lower contributions from certain business segments during the reporting period.

Further information on the Group's financial performance will be provided when the Group releases its unaudited consolidated financial results for 1H 2026 on or before 14 August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. Shareholders and potential investors should consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the actions they should take.
