Attention:

The attached report is not submitted pursuant to the Securities Law. The report is submitted on a voluntary basis by the corporation as part of its participation in a process promoted by the Israel Securities Authority for the purpose of implementing iXBRL reporting in Israel, within which the corporation experiments with reporting in iXBRL format alongside the regular report.

The attached reports are based on the corporation’s reports published on 27/05/2026reference number [2026-01-048929](#). To these reports, information has been added regarding the tagging of certain data from the periodic and/or quarterly reports as instructed by the Authority or tags that the corporation chose to add at its discretion. It is emphasized that the selection of such data does not constitute any form of opinion regarding their materiality in relation to other data in the periodic or quarterly reports for which tagging was not requested. The Israel Securities Authority or the corporation are not responsible in any way for the content, reliability, accuracy or completeness of such tags, and the sole responsibility for their use lies with the user only.

The reporting and presentation method provided herein (originating in the iXBRL format) may differ from the reporting and presentation method as provided in the periodic and/or quarterly reports submitted by the reporting corporation (originating in a PDF format which is different from the iXBRL format).

In any case of discrepancy between the information provided herein and the information in the periodic or quarterly reports submitted by the reporting corporation (in the reporting form on MAGNA T930), the binding data are those presented in the periodic or quarterly reports.
