PROFIT GUIDANCE

The Board of Directors ("Directors") of Fuji Offset Plates Manufacturing Ltd (the "Company", together with all its subsidiaries, collectively the "Group") wishes to issue a profit guidance regarding the financial results of the Group for the half-year period ended 30 June 2026 ("1H2026").

The Group is expected to report a lower net profit for 1H2026, principally due to the lower share of profit from the associated company and higher administrative and distribution expenses during the period, together with the absence of the non-recurring gain from the disposal of property, plant and equipment recognised in 1H2025, partially offset by a net foreign exchange gain in 1H2026.

The Group is still in the process of finalising the results for 1H2026 and will provide further details of the Group's performance when it releases its financial results on or before 14 August 2026.

Shareholders and investors are advised to exercise caution when dealing with the shares of the Company. Persons who are in doubt as to the action they should take should consult their stock broker, bank manager, solicitor, accountant or other professional advisors.
