*Explanations:*

1. If the change affects more than one security, the effect of the change should be detailed in a separate row for each security.
2. Date of change – all changes of the same type, in the same security, performed on one day, should be summarized in one row. For this purpose, changes made through the TASE Clearing House should be separated from those made directly in the company's books.
3. For a decrease, add the sign "-".
4. All quantity fields should indicate the number of securities, not NIS par value.

---

**If only the register of holders changed (without a change in the quantity of securities):**

A change occurred only in the register of holders of the corporation's securities (without a change in the quantity of the corporation's securities) as a result of:
