1. If the change affects more than one security, the effect of the change should be detailed in a separate row for each security.
2. Date of change - all changes of the same type, in the same security, performed on the same day, should be summarized in one row. For this purpose - changes made through the TASE clearing house should be separated from changes made directly in the company's books.
3. The change - for a decrease, add the sign "-".
4. In all quantity fields, the quantity of securities should be entered, not the par value in NIS.
