Further to the company's report dated April 10, 2024 (Reference: 2024-01-035725), regarding a request for approval of a class action filed against it and against EL AL Frequent Flyer Ltd. ("Frequent Flyer") in the Tel Aviv – Jaffa District Court (the "Court" and the "Approval Request", respectively), in which it was claimed that the company allegedly deletes the balance of diamonds accumulated by a member of the Frequent Flyer Club at the time it examines their eligibility for status, allegedly unlawfully and without basis in the regulations, with the alleged damage to the group members estimated by the applicant at 800,000,000 NIS, the company is honored to update that on September 11, 2025, a reasoned judgment was given which determined, among other things, that the language of the regulations is clear, while the interpretation the applicant sought to adopt has no basis in the language of the regulations.
