### **Explanations:**

- 1. If the change affects more than one security, specify the impact for each security on a separate line.
- 2. Change date all changes of the same type, in the same security, made on the same day, should be summarized in one line. For this purpose, distinguish between changes made via TASE Clearing House and those made directly in the company's books.
- 3. For a decrease, add the "-" sign.
- 4. In all quantity fields, enter the number of securities, not monetary amounts in par value ("ע.נ").
