Explanations:

1. If the change affects more than one security, detail each security in a separate row.
2. Date of change – all changes of the same type, in the same security, made on the same day, will be summarized in one line. For this matter, separate between changes performed via the exchange’s clearinghouse and those made directly in the company’s books.
3. For a decrease, add the sign “-”.
4. All quantity fields must indicate the number of securities, not NIS par value.

Explainer for registry-only changes

No change in quantity was marked in the form.
