#### **Explanations:**

1. If the change affects more than one security, detail the effect of the change in a separate row for each security.
2. Date of change: All changes of the same type in the same security conducted on the same day are to be summarized in one row. In this context, changes done via the clearinghouse must be separated from those entered directly in company records.
3. For reductions, add the sign "-".
4. In all quantity fields, enter the number of securities and not their par value.
