

**ELBIT IMAGING ANNOUNCES UPDATE REGARDING THE AGREEMENT TO  
SELL ITS PROJECT IN BANGALORE, INDIA BY ITS SUBSIDIARY, ELBIT  
PLAZA INDIA REAL ESTATE HOLDINGS LIMITED**

**Tel Aviv, Israel, November 16, 2016, Elbit Imaging Ltd. ("EI" or the "Company") (TASE, NASDAQ: EMITF)** announced today, in further to its announcement dated on September 30, 2016, an update regarding an agreement to sell 100% of its interest in a special purpose vehicle which holds a site in Bangalore, India, by Elbit Plaza India Real Estate Holdings Limited (in which EI holds a 50% stake with its joint venture partner, Plaza Centers N.V.) ("**EPI**") to a local investor (the "**Purchaser**").

The Purchaser paid an advance payment of INR 5 Crores (approximately €0.65 million) on 30 September 2016, but has informed EPI that it will not be able to execute the advance payments due, in the fourth quarter of 2016, under the Sale Agreement. The Sale Agreement determines that if the Purchaser fails to execute any of the advance payments, EPI will be able to enforce its rights under the Sale Agreement, including the execution of the Securities. Therefore, EPI is now considering its options with respect to the Sale Agreement, including, *inter alia*, the execution of the securities provided by the Purchaser to EPI under the Sale Agreement.

The Company will update regarding any new developments.

**About Elbit Imaging Ltd.**

Elbit Imaging Ltd. operates in the following principal fields of business: (i) Commercial centers - initiation, construction, and sale of commercial centers and other mixed-use property projects, predominantly in the retail sector, located in Central and Eastern Europe. In certain circumstances and depending on market conditions, the Group operates and manages commercial centers prior to their sale. (ii) Hotel - operation and management of the Radisson hotel Complex in Bucharest, Romania. (iii) Medical industries and devices - (a) research and development, production and marketing of magnetic resonance imaging guided focused ultrasound treatment equipment, and (b) development of stem cell population expansion technologies and stem cell therapy products for transplantation and regenerative medicine. (iv) Plots in India - plots designated for sale initially designated to residential projects.

*Any forward-looking statements in our releases include statements regarding the intent, belief or current expectations of Elbit Imaging Ltd. and our management about our business, financial condition, results of operations, and its relationship with its employees and the condition of our properties. Words such as "believe," "expect," "intend," "estimate" and similar expressions are intended to identify forward-looking statements but are not the exclusive means of identifying such statements. Actual results may differ materially from those projected, expressed or implied in the forward-looking statements as a result of various factors including, without limitation, a change in market conditions, a decision to deploy the cash for other business opportunities and the factors set forth in our filings with the Securities and Exchange Commission including, without limitation, Item 3.D of our annual report on Form 20-F for the fiscal year ended December 31, 2015, under the caption "Risk Factors."*

*Any forward-looking statements contained in our releases speak only as of the date of such release, and we caution existing and prospective investors not to place undue reliance on such statements. Such forward-looking statements do not purport to be predictions of future events or circumstances, and therefore, there can be no assurance that any forward-looking statement contained in our releases will prove to be accurate. We undertake no obligation to update or revise any forward-looking statements.*
