

Elbit Systems to Supply the Republic of Korea Airborne EW Suites and MWS Valued at Approximately \$29 Million

Haifa, Israel, January 11, 2010 - Elbit Systems Ltd. (NASDAQ and TASE: ESLT) announced today that its subsidiary, Elisra Electronic Systems Ltd. ("Elisra"), was awarded a contract valued at approximately \$29 million to supply the Korean Government with Airborne Electronic Warfare (EW) Suites and Missile Warning Systems (MWS) for its ROKAF CN-235 Transporters. The advanced and integrative EW suites include protection systems against various threats.

Elisra's CEO, Itzhak Gat, said: "The selection of Elisra's systems by the Republic of Korea, time and again within the last two years, attests to the high level of customer satisfaction and confidence in the company's products and capabilities." Gat added: "These programs are further indication of Elisra's success in Korea and of the recognition of our technological leadership in the EW field".

70% of Elisra's shares are held by Elbit Systems and 30% of its shares by Elta, a subsidiary of IAI.

About Elbit Systems

Elbit Systems Ltd. is an international defense electronics company engaged in a wide range of programs throughout the world. The Company, which includes Elbit Systems and its subsidiaries, operates in the areas of aerospace, land and naval systems, command, control, communications, computers, intelligence surveillance and reconnaissance ("C4ISR"), unmanned aircraft systems ("UAS"), advanced electro-optics, electro-optic space systems, EW suites, airborne warning systems, ELINT systems, data links and military communications systems and radios. This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward Looking Statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
