

Elbit Systems U.S. Subsidiary Awarded a \$73.4 Million USMC IDIQ Contract for Common Laser Range Finder - Integrated Capability

Haifa, Israel, March 22, 2015 – Elbit Systems Ltd. (NASDAQ and TASE:ESLT) ("Elbit Systems") announced today that the United States Marine Corps (USMC) awarded Elbit Systems of America, LLC ("Elbit Systems of America"), a wholly-owned subsidiary of Elbit Systems, a \$73.4 million Indefinite Delivery/Indefinite Quantity (IDIQ) contract, for the Common Laser Range Finder-Integrated Capability (CLRf-IC). The period of the IDIQ contract extends through March 2020. To date, Elbit Systems of America has received an initial order in the amount of \$7.5 million under the IDIQ contract.

"We are pleased to provide the USMC with their new rugged CLRf-IC, a lightweight system that is mission-ready and safer for the foot-mobile Marine," commented Raanan Horowitz, President and Chief Executive Officer of Elbit Systems of America. "Leveraging the innovative capabilities of our imaging, range finding, and degraded environment navigation solutions, Marines are now able to acquire targets without breaking cover from their concealed fighting positions and minimize impact while on the move."

About Elbit Systems

Elbit Systems Ltd. is an international high technology company engaged in a wide range of defense, homeland security and commercial programs throughout the world. The Company, which includes Elbit Systems and its subsidiaries, operates in the areas of aerospace, land and naval systems, command, control, communications, computers, intelligence surveillance and reconnaissance ("C4ISR"), unmanned aircraft systems, advanced electro-optics, electro-optic space systems, EW suites, signal intelligence systems, data links and communications systems and radios. The Company also focuses on the upgrading of existing platforms, developing new technologies for defense, homeland security and commercial aviation applications and providing a range of support services, including training and simulation systems.

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward Looking Statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
