

In Light of the Progress in the Acquisition by Elbit Systems of IMI Systems Ltd., MIDROOG Ltd. Places Under Review For Down Grade (Credit Review) the Rating of Elbit Systems' Series "A" Notes

Haifa, Israel, June 28, 2018 – Elbit Systems Ltd. (NASDAQ and TASE: ESLT) ("Elbit Systems" or "the Company") announced today that in light of the progress in the acquisition of IMI Systems Ltd., ("IMI") by the Company, as announced by the Company on June 19, 2018, the Israeli rating agency Midroog Ltd. ("Midroog"), places the Series "A" Notes issued by the Company in 2010 and in 2012 (the Notes"), under review for down grade (Credit Review). The Notes are currently rated "Aa1" (on a local scale). The Credit Review will be performed by Midroog following the closing of the acquisition transaction.

The rating will be examined by Midroog taking into consideration, among other things, the transaction structure and financing, the Company's business plan for IMI and the expected time frame for reduction of the Company's debt.

Midroog's official announcement in Hebrew will be submitted by the Company to the Israel Securities Authority and the TASE. An unofficial English translation of Midroog's announcement will be submitted by the Company on Form 6-K to the U.S. Securities and Exchange Commission.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy any Series "A" Notes.

About Elbit Systems

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward-looking statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.

Elbit Systems Ltd., its logo, brand, product, service and process names appearing in this Press Release are the trademarks or service marks of Elbit Systems Ltd. or its affiliated companies. All other brand, product, service and process names appearing are the trademarks of their respective holders. Reference to or use of a product, service or process other than those of Elbit Systems Ltd. does not imply recommendation, approval, affiliation or sponsorship of that product, service or process by Elbit Systems Ltd. Nothing contained herein shall be construed as conferring by implication, estoppel or otherwise any license or right under any patent, copyright, trademark or other intellectual property right of Elbit Systems Ltd. or any third party, except as expressly granted herein.
