About Micro-Mechanics

Micro-Mechanics is a *Next Generation Supplier* focused on enabling advanced technologies. The Group designs and manufactures consumable tools that reduce defects and improve yields in advanced semiconductor packaging, assembly and testing processes. The Group also manufactures precision components for critical production processes in the wafer-fabrication equipment and other high-tech industries.

Founded in 1983 and listed on the SGX Mainboard (SGX:5DD) in 2003, the Group has become a trusted partner to more than 600 customers worldwide, providing fast, effective and localised support across its five operating facilities in Singapore, Malaysia, China, the Philippines and the USA.

The Group is committed to executing its *Five-Star Factory* initiative, which aims to drive excellence across five key areas – people, customers, workplace safety and efficiency, operations, and innovation – to strengthen its core operating foundation. Together with a focus on financial discipline and strong governance practices, the Group aims to solve high-value problems and deliver sustainable long-term stakeholder returns.

Since listing, Micro-Mechanics has received nearly 40 awards in recognition of its high standards of corporate governance, quality of disclosure, transparency and investor relations.
