About Ellomay Capital Ltd.

Ellomay is an Israeli based company whose shares are registered with the NYSE MKT, under the trading symbol "ELLO" and with the Tel Aviv Stock Exchange under the trading symbol "ELOM." Since 2009, Ellomay Capital focuses its business in the energy and infrastructure sectors worldwide. Ellomay (formerly Nur Macroprinters Ltd.) previously was a supplier of wide format and super-wide format digital printing systems and related products worldwide, and sold this business to Hewlett-Packard Company during 2008 for more than \$100 million.

To date, Ellomay has evaluated numerous opportunities and invested significant funds in the renewable, clean energy and natural resources industries in Israel, Italy and Spain, including:

- Approx. 22.6MW of photovoltaic power plants in Italy and 85% of 2.3MW of photovoltaic power plant in Spain;
- 7.5% indirect interest, with an option to increase its holdings to 9.375%, in Dorad Energy Ltd. Israel's largest private power plant, with production capacity of approximately 800 MW, representing about 8% of Israel's total current electricity consumption;

Ellomay Capital is controlled by Mr. Shlomo Nehama, Mr. Hemi Raphael and Mr. Ran Fridrich. Mr. Nehama is one of Israel's prominent businessmen and the former Chairman of Israel's leading bank, Bank Hapohalim, and Messrs. Raphael and Fridrich both have vast experience in financial and industrial businesses. These controlling shareholders, along with Ellomay's dedicated professional management, accumulated extensive experience in recognizing suitable business opportunities worldwide. The expertise of Ellomay's controlling shareholders and management enables the company to access the capital markets, as well as assemble global institutional investors and other potential partners. As a result, Ellomay is capable of considering significant and complex transactions, beyond its immediate financial resources.
