RECORD DATE; QUORUM

Only shareholders of record at the close of business on April 14, 2020 are entitled to notice of, and to vote at, the Meeting or any adjournment(s) or postponement(s) thereof. As of April 14, 2020, we had 12,194,094 issued and outstanding ordinary shares (this number does not include 258,046 ordinary shares all of which were repurchased by us, that were held by us at that date by us as treasury shares under Israeli law). Each ordinary share, other than ordinary shares held by us as treasury shares, is entitled to be counted for purposes of a quorum and to one vote on each matter to be voted on at the Meeting. Our Second Amended and Restated Articles of Association, or the Articles, do not provide for cumulative voting for the election of directors or for any other purpose.

The presence at the Meeting, in person or by proxy, of two or more shareholders holding more than 25% of the voting rights of the Company, will constitute a quorum. All ordinary shares represented in person or by proxy (including broker non-votes and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for purposes of determining whether a quorum exists. If within half an hour from the time appointed for the Meeting a quorum is not present, the meeting shall stand adjourned on the same day, in the next week, at the same time and place and means of communications. The requisite quorum at an adjourned meeting shall be any two or more members, present in person or by proxy at the meeting.

VOTING RIGHTS; REQUIRED VOTES

The votes of all shareholders voting on a proposal are counted. Abstentions and broker non-votes will not be treated as either a vote “for” or “against” a proposal. “Broker non-votes” are shares held by brokers or other nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner of the shares. Brokers and other nominees have discretionary voting authority under the applicable rules of the New York Stock Exchange to vote on “routine” matters. Please note that the uncontested election of directors is not considered a “routine” matter under such rules. This means that if a brokerage firm holds your shares on your behalf, those shares will not be voted in the election of directors, or with respect to the other non-routine matters on the agenda of the Meeting, unless you provide voting instructions to your brokerage firm or obtain a proxy from your brokerage firm and vote the shares yourself, in person or by proxy.

Each of the resolutions to be presented at the Meeting requires the affirmative vote of holders of at least a majority of the ordinary shares voted in person or by proxy at the Meeting on the matter presented for passage. However, the approval of the proposal under Item 2 with respect to office holders deemed to be “controlling shareholders” is also required to comply with additional special “disinterested” voting requirements as set forth in the Proxy Statement. Item 4 does not require a shareholder vote.

TERMS OF SERVICE AND EMPLOYMENT OF EXECUTIVE OFFICERS AND DIRECTORS

For information concerning the terms of service and employment of our five most highly compensated office holders during or with respect to the year ended December 31, 2019 see “Item 6.B: Directors, Senior Management and Employees – Compensation” in our Annual Report on Form 20-F for the year ended December 31, 2019, filed with the Securities and Exchange Commission, or the SEC, on April 7, 2020, or the 2019 Annual Report. An “office holder” is defined under the Israeli Companies Law, 1999, or, as amended from time to time, the Companies Law, as a general manager, chief business manager, vice general manager, any other person assuming the responsibilities of any of the foregoing positions without regard to such person’s title, and a director, or manager directly subordinate to the general manager.

PRINCIPAL SHAREHOLDERS

The following table sets forth information regarding the beneficial ownership of our ordinary shares as of March 15, 2020 by each person known by us to be the beneficial owner of 5.0% or more of our ordinary shares. Each of our shareholders has identical voting rights with respect to its shares. All of the information with respect to beneficial ownership of the ordinary shares is given to the best of our knowledge based on public filings by the shareholders and on information provided by them.

To our knowledge, except as otherwise indicated in the footnotes to this table, each shareholder in the table has sole voting and investment power for the ordinary shares shown as beneficially owned by them.

	Ordinary Shares Beneficially Owned⁽¹⁾	Percentage of Ordinary Shares Beneficially Owned
Shlomo Nehama ⁽²⁾⁽⁵⁾⁽⁷⁾	4,016,842	32.9%
Kanir Joint Investments (2005) Limited Partnership ⁽³⁾⁽⁴⁾⁽⁵⁾⁽⁶⁾⁽⁷⁾	2,605,845	21.4%
The Phoenix Holdings Ltd. ⁽⁸⁾	844,064	6.9%
Yelin Lapidot Holdings Management Ltd. ⁽⁹⁾	1,168,953	9.6%
Clal Insurance Enterprises Holdings Ltd. ⁽¹⁰⁾	824,743	6.7%
Harel Insurance Investments & Financial Services Ltd. ⁽¹¹⁾	650,176	5.3%

(1) As used in this table, “beneficial ownership” means the sole or shared power to vote or direct the voting or to dispose or direct the disposition of any security as determined pursuant to Rule 13d-3 promulgated under the U.S. Securities Exchange Act of 1934, as amended. For purposes of this table, a person is deemed to be the beneficial owner of securities that can be acquired within 60 days from March 15, 2020 through the exercise of any option or warrant. Ordinary shares subject to options or warrants that are currently exercisable or exercisable within 60 days are deemed outstanding for computing the ownership percentage of the person holding such options or warrants, but are not deemed outstanding for computing the ownership percentage of any other person. The amounts and percentages are based on a total of 12,194,094 ordinary shares outstanding as of March 15, 2020. This number of outstanding ordinary shares does not include a total of 258,046 ordinary shares held at that date as treasury shares under Israeli law, all of which were repurchased by us. For so long as such treasury shares are owned by us they have no rights and, accordingly, are neither eligible to participate in or receive any future dividends which may be paid to our shareholders nor are they entitled to participate in, be voted at or be counted as part of the quorum for, any meetings of our shareholders.

(2) The 4,016,842 ordinary shares beneficially owned by Mr. Nehama consist of: (i) 3,551,869 ordinary shares held by S. Nechama Investments (2008) Ltd., or Nechama Investments, which constitute approximately 29.1% of our outstanding ordinary shares and (ii) 464,973 ordinary shares and held directly by Mr. Nehama, which constitute approximately 3.8% of our outstanding ordinary shares. Mr. Nehama, as the sole officer, director and shareholder of Nechama Investments, may be deemed to indirectly beneficially own any ordinary shares owned by Nechama Investments, which constitute (together with his shares) approximately 32.9% of our outstanding ordinary shares.

- (3) Kanir Joint Investments (2005) Limited Partnership, or Kanir, is an Israeli limited partnership. Kanir Investments Ltd., or Kanir Ltd., in its capacity as the general partner of Kanir, has the voting and dispositive power over the ordinary shares directly beneficially owned by Kanir. As a result, Kanir Ltd. may be deemed to indirectly beneficially own the ordinary shares beneficially owned by Kanir. Messrs. Hemi Raphael and Ran Fridrich, who are members of our Board of Directors, are the sole directors of Kanir Ltd. and Mr. Raphael is a majority shareholder of Kanir Ltd. As a result, Messrs. Raphael and Fridrich may be deemed to indirectly beneficially own the ordinary shares beneficially owned by Kanir, which constitute, together with their holdings as set forth in footnote (4), 24.3% and 21.5%, respectively, of our outstanding ordinary shares. Kanir Ltd. and Messrs. Raphael and Fridrich disclaim beneficial ownership of such ordinary shares except to the extent of their respective pecuniary interest therein, if any.
- (4) Mr. Raphael beneficially owns 354,524 ordinary shares, consisting of: (i) 314,514 ordinary shares held by a BVI private company wholly-owned by Mr. Raphael, which constitute approximately 2.6% of our outstanding shares and (ii) 40,010 ordinary shares held directly by Mr. Raphael, which constitute approximately 0.3% of our outstanding shares. According to the Compensation Regulations, which we apply to all our non-executive directors, the directors are entitled to 60% of the meeting fee if they participated at the meeting by teleconference and not in person, and to 50% of the meeting fee if resolutions were approved in writing, without convening a meeting. ITEM 2

RATIFICATION AND APPROVAL OF THE PURCHASE OF DIRECTORS AND OFFICERS LIABILITY INSURANCE POLICY

Background

The Companies Law provides that a company may, if permitted by its articles of association, obtain insurance for an office holder against liabilities incurred with respect to an act or omission in his or her capacity as an office holder. These liabilities include a breach of duty of care to the company or a third-party, a breach of duty of loyalty (provided that the office holder acted in good faith and had reasonable cause to assume that his or her act would not prejudice the company's interests) and any monetary liability imposed on the office holder in favor of a third-party. Our Articles permit us to enter into an agreement for the insurance of the liability of our office holders to the fullest extent permitted by law. Our Compensation Policy provides that our directors and officers will be covered by a directors and officers liability insurance policy, to be periodically purchased by us subject to receipt of approvals required under the Companies Law.

The current coverage of our directors' and officers' liability insurance policy is \$15 million. This coverage was previously approved by our shareholders, most recently at our annual general meeting held on June 21, 2018. At such meeting, our shareholders approved the procurement of a liability insurance policy for our current and future office holders, as follows: (i) the coverage limit per claim and in the aggregate under the policy may not exceed an amount representing an increase of 20%, as compared to the current coverage limit; and (ii) the premium paid for such policy may be up to \$230,000.

General

During the renewal process of our directors' and officers' liability insurance policy, we were informed by our broker and insurance advisors that there have been significant changes in the D&O liability insurance market in recent years that include material increases in insurance premiums. We were further informed that the increases in premiums were specifically applicable to companies such as our company, with shares traded both in Israel and in a US stock exchange. Our insurance advisors therefore informed us that we could not maintain the current coverage of \$15 million without a significant increase in the annual premium (by approximately 250%), which exceeds the parameters previously approved by our Compensation Committee, Board and shareholders.

Therefore, our Compensation Committee and Board of Directors approved, and recommend that our shareholders approve, the terms and conditions for the renewal, extension and/or replacement, from time to time, of our directors' and officers' liability insurance policy for all current and future directors and officers (including office holders who may be deemed to be controlling shareholders, within the meaning of the Companies Law) as follows: (i) the coverage limit per claim and in the aggregate under the policy may not exceed \$15 million; (ii) the premium paid for such policy may be up to \$800,000 per year, and (iii) our Compensation Committee is and will be authorized to increase coverage and/or premiums above the maximums set forth herein by up to 30% in any year, as compared to the previous year, or cumulatively for a number of years, without additional shareholders' approval. No further approval of our shareholders will be required in connection with any renewal and/or extension and/or purchase of the a directors and officers liability insurance policy entered into in compliance with the foregoing terms and conditions.

Our Compensation Committee and Board of Directors further confirmed that this resolution is for the benefit of our company considering, among others, the following: (i) obtaining D&O insurance coverage is customary and acceptable in companies in general and specifically in companies such as our company, with securities traded on both a US market and the Tel Aviv Stock Exchange, (ii) adequate D&O insurance coverage enables and will continue to enable our company to obtain and retain qualified personnel and our office holders to continue to perform their services and duties taking into account the risks inherent to our company's business and listing, (iii) the updated terms are in line with market conditions, (iv) the coverage terms are identical for all directors and officers and are in line with our compensation policy, (v) the purchase of D&O insurance coverage does not constitute a "distribution" as such term is defined in the Israeli Companies Law, (vi) adequate D&O insurance coverage is required in order to continue to enable our directors and officers to perform their duties, specifically in light of the risks and exposures existing for directors and officers of publicly traded companies, and (vii) the proposed terms are reasonable in light of the advice received from our insurance advisors and broker and in light of our business and operations.

In connection with the approval of the inclusion of office holders who are deemed to be controlling shareholders in our D&O liability insurance coverage, the resolution will be approved as, and constitute, a “framework transaction,” as such term is defined in Regulation 1(3) of the Companies Regulations (Relief for Transactions with Interested Parties), 2000, or the Relief Regulations. A “framework transaction” enables us to obtain D&O liability insurance policies, whether by purchasing new insurance policies or extensions or renewals of existing insurance policies during a period of three years. The purchase of the directors and officers insurance policies, as aforesaid, is conditioned upon the approval of the Audit and Compensation Committee and the Board of Directors of the Company, as needed, that the terms for the purchase of the policies comply with the terms of the Framework Transaction.

Required Vote

Pursuant to Section 273 of the Companies Law, the terms of service of members of our Board of Directors that are in accordance with our Compensation Policy generally require the approval of our Compensation Committee, Board of Directors and the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter. In addition, the approval of the terms of employment and service of a chief executive officer and, pursuant to Section 275 of the Companies Law, of office holders who are deemed to be controlling shareholders (as such term is defined under Section 268 of the Israeli Companies Law), requires the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter; provided that at least one of the following “special majority” requirements is met: (i) the shares voting in favor of the matter include at least a majority of the shares voted by shareholders who are not controlling shareholders and who do not have a personal interest in the approval of the resolution or (ii) the total number of shares voted against the approval of the resolution by shareholders referenced under (i) does not exceed 2% of our outstanding voting rights.

A “controlling shareholder” for purposes of the requisite majority is defined as a shareholder that has the ability to direct the activity of the company, other than an ability resulting only from serving as a director or having another position in the company. A person is deemed to control a company if he holds, alone or together with others, one half or more of the “means of control” in the company. Based, among other things, on their holdings in our shares and the 2008 Shareholders Agreement, Mr. Shlomo Nehama, our Chairman of the Board and a director nominee, Nechama Investments, Kanir, Mr. Fridrich, who is a member of our Board, our Chief Executive Officer and a director nominee and Mr. Raphael, who is a member of our Board and a director nominee, are each deemed to be our “controlling shareholders” for purposes of the required “special majority” and may also be deemed to have a “personal interest” in the approval of the resolution due to the positions they hold.

The Companies Law requires that each shareholder voting on the proposal indicate whether or not the shareholder is a “controlling shareholder” or has a “personal interest” in the approval of the proposed resolution. Otherwise, the shareholder is not eligible to vote on this proposal and his or her vote will not be counted for the purposes of the “special majority” requirement of the proposal.

Under the Companies Law, a “personal interest” of a shareholder (i) includes a personal interest of any member of the shareholder’s family or of the shareholder’s spouse’s family (or a spouse thereof) or a personal interest of a company with respect to which the shareholder (or any of the aforementioned family members) serves as a director or chief executive officer, owns at least 5% of the shares or has the right to appoint a director or chief executive officer, and (ii) excludes an interest arising solely from the ownership of our ordinary shares. Under the Companies Law, in the case of a person voting by proxy for another person, “personal interest” includes a personal interest of either the proxy holder or the shareholder granting the proxy, whether or not the proxy holder has discretion how to vote. Shareholders who hold their shares through banks, brokers or other nominees that are members of the TASE should indicate whether or not they have a personal interest as explained above on the form of the deed of vote that we will file on MAGNA, the website of the Israel Securities Authority.

To the extent the proposed resolution is not approved by the “special majority” but rather with an ordinary majority, it will be valid in connection with all of our office holders whose terms of service and employment do not require an approval by our shareholders or by a special majority of our shareholders. In addition, in the event the proposed resolution is not approved by the “special majority”, we may elect to utilize an exemption that is available under the Relief Regulations, which provides that in the event a company’s compensation committee and board of directors determine that the insurance provided to office holders who are deemed to be controlling shareholder or a chief executive officer is: (i) upon terms worse or identical to those provided to the company’s other officers and directors, (ii) on market conditions and (iii) cannot materially affect the company’s profitability, assets or liabilities, the approval of the company’s shareholders will not be required.

Proposal

At the Meeting, our Board of Directors will propose that the following resolution be adopted:

“RESOLVED, that the terms and conditions for the purchase, renewal, extension and/or replacement of the directors’ and officers’ liability insurance policy of the Company and its subsidiaries, for all office holders of the Company and its subsidiaries, who may serve from time to time, as set forth in the Proxy Statement, be and hereby are ratified and approved, that all actions heretofore taken by the Company’s management in connection with the subject matter of the foregoing resolution are hereby ratified and approved, and that these resolutions are for the benefit of the Company.”
