UPDATE ON THE PROPOSED PLACEMENT AND CALL AND PUT OPTION GRANT

---

1. The board of directors (the "**Board**" or the "**Directors**") of Tritech Group Limited (the "**Company**", and together with its subsidiaries, the "**Group**") refers to the Company's announcement dated 2 April 2026 and 23 April 2026 ("**Previous Announcements**") in relation to the Proposed Transactions.

   Unless otherwise defined, capitalised terms used herein shall have the same meaning given to them in the Previous Announcements.

2. Pursuant to the LQN, the Tranche 1 Placement Shares are required to be placed out within seven (7) market days from the date of the LQN of 23 April 2026, by 5 May 2026. However, the Placee has communicated to the Company that he requires more time to complete the banking payment process of the Tranche 1 Placement Consideration of S$1,000,000. In view of the above, the completion of the Tranche 1 Placement will not take place by 5 May 2026 and consequently the LQN of 23 April 2026 will lapse.

3. The Company is in discussion with the Placee on the required timeline to remit the necessary funds in relation to the Tranche 1 Placement and consequential extension of the Tranche 1 Cut Off Date. The Company will apply for a fresh LQN through its Sponsor once the Tranche 1 Placement Consideration has been received by the Company.

4. The Company will continue to keep Shareholders updated and make further announcement(s) as and when appropriate.

5. Shareholders and potential investors are advised to exercise caution when dealing in their Shares. Shareholders are advised to read this announcement, and any further announcements by the Company carefully. Shareholders and potential investors should consult their stockbrokers, solicitors or other professional advisors if they have any doubts about the action they should take.
