PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED FINANCIAL RESULTS FOR THE YEAR ENDED 30 SEPTEMBER 2025

The Board of Directors of Marco Polo Marine Ltd ("Marco Polo" or the "Company", and together with its subsidiaries, the "Group") wishes to inform shareholders that, following a preliminary review of the Group's unaudited consolidated financial results for the financial year ended 30 September 2025 ("FY2025"), the Group expects to report a significantly higher net profit after tax ("NPAT") for FY2025 as compared to the financial year ended 30 September 2024.

The anticipated increase in NPAT is mainly attributable to gains arising from (i) the reversal of impairment losses on certain vessels; and (ii) the disposal of the Group's shareholding interest in its joint venture company, Marco Polo Offshore (IV) Pte Ltd. These are extraordinary gains that are not part of the Group's normal business operations.

The Group is in the process of finalising its FY2025 financial results. Further details will be disclosed when the Company announces its unaudited financial results for FY2025 on or before 29 November 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the Company's shares. When in doubt, they should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
