The foreign corporations granted Ms. Tali Grifel and Ms. Niva Gurevitz powers of attorney to vote on behalf of each of them (respectively) at the Company's general meetings, and accordingly Ms. Tali Grifel and Ms. Niva Gurevitz are deemed the controlling shareholders of the Company ("the controlling shareholders"). For the purpose of calculating the holding rate on a fully diluted basis, the exercise of 16,995,415 long-term warrants that can be exercised, through a cashless mechanism (net exercise), into 2,940,237 exercise shares was taken into account. Since the exercise of the warrants is conditional upon meeting a target price set for this purpose depending on the warrant series, the number of exercise shares was calculated according to the higher of (1) the target price set for the series; or (2) the closing price of the share as of 17 April 2026. Below is a breakdown of the share price used for the purpose of calculating the number of exercise shares: (1) 13,833,334 warrants based on a share price of NIS 19.78, which constitutes the target price for the exercise of these warrants; (2) 824,770 warrants based on a share price of NIS 25.68, which constitutes the target price for the exercise of these warrants; (3) 797,340 warrants based on a share price of NIS 29.14, which constitutes the target price for the exercise of these warrants; (4) 1,539,971 warrants based on a share price of NIS 22.62, which constitutes the target price for the exercise of these warrants; the number of exercise shares that will actually be allocated as a result of the long-term warrants will vary depending on the share price that will actually exist at the time of exercise (if it is higher than the target exercise price).
