About Evogene Ltd.:

Evogene (NASDAQ:EVGN, TASE: EVGN.TA) is a leading biotechnology company aiming to revolutionize the development of novel products for life-science based industries, including human health, agriculture, and industrial applications by utilizing cutting edge computational biology technologies. Leveraging Big Data and Artificial Intelligence while incorporating a deep understanding of biology, Evogene established its unique technology, the *Computational Predictive Biology (CPB)* platform, to computationally design microbes, small molecules and genes as the core components for life-science products. Evogene holds a number of subsidiaries utilizing the *CPB* platform, for the development of human microbiome-based therapeutics, medical cannabis, ag-biologicals, ag-chemicals, seed traits and ag-solutions for castor oil production.

Forward Looking Statements:

This press release contains “forward-looking statements” relating to future events. These statements may be identified by words such as “may”, “could”, “expects”, “intends”, “anticipates”, “plans”, “believes”, “scheduled”, “estimates” or words of similar meaning. Such statements are based on current expectations, estimates, projections and assumptions, describe opinions about future events, involve certain risks and uncertainties which are difficult to predict and are not guarantees of future performance. Therefore, actual future results, performance or achievements of Evogene and its subsidiaries may differ materially from what is expressed or implied by such forward-looking statements due to a variety of factors, many of which are beyond the control of Evogene and its subsidiaries, including, without limitation, the global spread of COVID-19, or the Coronavirus, the various restrictions deriving therefrom and those risk factors contained in Evogene’s reports filed with the applicable securities authority. In addition, Evogene and its subsidiaries rely, and expect to continue to rely, on third parties to conduct certain activities, such as their field-trials and pre-clinical studies, and if these third parties do not successfully carry out their contractual duties, comply with regulatory requirements or meet expected deadlines (including as a result of the effect of the Coronavirus), Evogene and its subsidiaries may experience significant delays in the conduct of their activities. Evogene and its subsidiaries disclaim any obligation or commitment to update these forward-looking statements to reflect future events or developments or changes in expectations, estimates, projections and assumptions.
