### **About Evogene Ltd.:**

Evogene (NASDAQ: EVGN, TASE: EVGN.TA) is a leading computational biology company targeting to revolutionize product development for life-science based industries, including human health, agriculture, and industrial applications. Incorporating a deep understanding of biology and leveraging Big Data and Artificial Intelligence, Evogene established its unique technology, the *Computational Predictive Biology (CPB)* platform. The CPB platform is designed to computationally discover and develop life-science products based on microbes, small molecules and genetic elements as the core components for such products. Evogene holds a number of subsidiaries utilizing the *CPB* platform, for the development of human microbiome-based therapeutics, medical cannabis, ag-biologicals, ag-chemicals, seed traits and ag-solutions for castor oil production.

## **Forward Looking Statements:**

*This press release contains “forward-looking statements” relating to future events. These statements may be identified by words such as “may”, “could”, “expects”, “intends”, “anticipates”, “plans”, “believes”, “scheduled”, “estimates” or words of similar meaning. For example, Evogene is using forward-looking statements in this press release when it discusses its targets and goals for 2020, its estimated cash usage for 2020, capturing the value of its technologies and subsidiaries, entering into collaboration agreements and its upcoming milestones. Such statements are based on current expectations, estimates, projections and assumptions, describe opinions about future events, involve certain risks and uncertainties which are difficult to predict and are not guarantees of future performance. Therefore, actual future results, performance or achievements of Evogene and its subsidiaries may differ materially from what is expressed or implied by such forward-looking statements due to a variety of factors, many of which are beyond the control of Evogene and its subsidiaries, including, without limitation, the global spread of COVID-19, or the Coronavirus, the various restrictions deriving therefrom and those risk factors contained in Evogene’s reports filed with the applicable securities authorities. In addition, Evogene and its subsidiaries rely, and expect to continue to rely, on third parties to conduct certain activities, such as their field-trials and pre-clinical studies, and if these third parties do not successfully carry out their contractual duties, comply with regulatory requirements or meet expected deadlines (including as a result of the effect of the Coronavirus), Evogene and its subsidiaries may experience significant delays in the conduct of their activities. Evogene and its subsidiaries disclaim any obligation or commitment to update these forward-looking statements to reflect future events or developments or changes in expectations, estimates, projections and assumptions.*
