

Evogene Financial Results and Earnings Announcement Schedule for the Third Quarter of 2020

Rehovot, Israel – November 2, 2020 – Evogene Ltd. (NASDAQ: EVGN), (TASE: EVGN), a leading computational biology company aiming to revolutionize life-science product development across several market segments, announces today that it will release its financial results for the third quarter of 2020 on Wednesday, November 18, 2020. Dr. Elran Haber, CEO of Evogene's human microbiome subsidiary, Biomica Ltd., will join the conference call to discuss Biomica's activity.

On the day of the announcement, the Company's management will host a conference call to discuss the results at 09:00 AM Eastern time, 16:00 Israel time. To access the conference call, please dial 1-888-281-1167 toll free from the United States, or +972-3-918-0609 internationally. Access to the call will also be available via live webcast through the Company's website at www.evogene.com.

A replay of the conference call will be available approximately three hours following the completion of the call. To access the replay, please dial 1-888-326-9310 toll free from the United States, or +972-3-925-5901 internationally. The replay will be accessible through November 20, 2020, and an archive of the webcast will be available on the Company's website for the following 30 days.

About Evogene Ltd.:

Evogene (NASDAQ: EVGN), (TASE: EVGN) is a leading computational biology company focused on revolutionizing product discovery and development in multiple life-science based industries, including human health and agriculture, through the use of its broadly applicable Computational Predictive Biology (CPB) platform. The CPB platform, incorporating a deep understanding of biology leveraged through the power of Big Data and Artificial Intelligence, has been designed to computationally discover and uniquely guide the development of life-science products based on microbes, small molecules and genetic elements. Utilizing the CPB platform, Evogene and its subsidiaries are now advancing product pipelines for human microbiome-based therapeutics through Biomica Ltd., medical cannabis through Canonic Ltd., ag-biologicals through Lavie Bio Ltd., ag-chemicals through AgPlenus Ltd., and ag-solutions for castor oil production through Casterra Ag Ltd. **For more information, please visit www.evogene.com**

Forward Looking Statements:

This press release contains “forward-looking statements” relating to future events. These statements may be identified by words such as “may”, “could”, “expects”, “intends”, “anticipates”, “plans”, “believes”, “scheduled”, “estimates” or words of similar meaning. Such statements are based on current expectations, estimates, projections and assumptions, describe opinions about future events, involve certain risks and uncertainties which are difficult to predict and are not guarantees of future performance. Therefore, actual future results, performance or achievements of Evogene and its subsidiaries may differ materially from what is expressed or implied by such forward-looking statements due to a variety of factors, many of which are beyond the control of Evogene and its subsidiaries, including, without limitation, the global spread of COVID-19, or the Coronavirus, the various restrictions deriving therefrom and those risk factors contained in Evogene’s reports filed with the applicable securities authorities. In addition, Evogene and its subsidiaries rely, and expect to continue to rely, on third parties to conduct certain activities, such as their field-trials and pre-clinical studies, and if these third parties do not successfully carry out their contractual duties, comply with regulatory requirements or meet expected deadlines (including as a result of the effect of the Coronavirus), Evogene and its subsidiaries may experience significant delays in the conduct of their activities. Evogene and its subsidiaries disclaim any obligation or commitment to update these forward-looking statements to reflect future events or developments or changes in expectations, estimates, projections and assumptions.
