For the background regarding the Company's election to submit Proposal No. 7 to the shareholders' approval by Special Majority, see Proposal No. 7 herein.

### **PROPOSAL 3**

#### **TO AMEND THE COMPANY'S ARTICLES OF ASSOCIATION**

The Companies Law and the Company's Articles allow the Company, subject to the required approvals, to undertake to exculpate in advance directors and other office holders of the Company for liabilities to damages such office holder may incur, as a result of breach of duty of care by such person towards the Company.

According to Article 28.1 of the Company's Articles, the Company may exempt an office holder, in advance, or retroactively, of liability, in whole or in part, due to damage which such office holder incurs as a result of the breach of the duty of care towards the Company, to the maximum extent allowed under any law as amended from time to time.

According to the Companies Law, the Company may not exculpate directors or office holders for liability with respect to: (a) a breach of duty of loyalty towards the Company; (b) a breach of duty of care done intentionally or recklessly (*pizut*) except for negligence; (c) an act intended to unlawfully yield a personal profit; or (d) a fine, civil fine (*knass ezrahi*), financial sanction (*itzum caspi*) or a penalty (*kofer*) imposed upon the director or office holder.

It is proposed to amend Article 28.1 of the Company's Articles, so that that in addition to the limitations on exculpation described above, the Company may also not exculpate its directors or office holders with regard to a decision and/or a transaction in which the Company's controlling shareholder and/or any director or office holder of the Company has a personal interest.

On August 8, 2019, the Company's Board of Directors approved and recommended that the shareholders approve the amendment to the Articles, an English translation of which is attached hereto as **Exhibit A**.

The shareholders of the Company are requested to adopt the following resolution:

**"RESOLVED, to amend the Articles, in the form attached as Exhibit A to the Proxy Statement."**

The approval of this proposal, as described above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends that the shareholders vote FOR the above proposal.**

## PROPOSAL 4

### TO AMEND AND RESTATE THE COMPANY'S CUSTOMARY LETTER OF EXCULPATION AND TO GRANT THE AMENDED LETTER OF EXCULPATION TO THE COMPANY'S DIRECTORS AND OFFICE HOLDERS

As provided in Proposal No. 3 above, under the Companies Law and the Company's Articles, the Company may, under certain limitations, undertake to exculpate in advance directors and other office holders of the Company for liabilities to damages it will incur, as a result of breach of duty of care by such person towards the Company.

Accordingly, on December 22, 2015, the Company's shareholders approved, among others, a form of a customary letter of exculpation (the "**Current Exculpation Letter**") and granting the Current Exculpation Letter to the Company's directors and other office holders who will serve with the Company from time to time, including the Company's controlling shareholder and his relatives.

The Current Exculpation Letter includes limitations on exculpation of directors and other office holders, as provided in the Companies Law and described in Proposal No. 3 above.

On August 8, 2019, the Company's Board of Directors approved and recommended that the Company's shareholders approve an amendment to the Current Exculpation Letter in a manner that in addition to the limitations on exculpation described above, the Company may also not exculpate its directors or office holders with regard to a decision and/or a transaction in which the Company's controlling shareholder and/or any director or office holder of the Company has a personal interest (the "**Amended Exculpation Letter**"), and to grant the Amended Exculpation Letter to the Company's directors and other office holders currently in office<sup>1</sup> as well as those who will serve with the Company from time to time.

A copy of the Amended Exculpation Letter is attached hereto as **Exhibit B**.

The shareholders of the Company are requested to adopt the following resolution:

**"RESOLVED, to approve the Amended Exculpation Letter, in the form attached as Exhibit B to the Proxy Statement, and to grant the Amended Exculpation Letter to the Company's directors and office holders currently in the office (other than Mr. Haim Siboni and Ms. Sivan Siboni) as well as those who will serve with the Company from time to time."**

The approval of this proposal, as described above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends that the shareholders vote FOR the above proposal.**

## PROPOSAL 5

### TO GRANT OPTIONS TO CERTAIN MEMBERS OF THE COMPANY'S BOARD OF DIRECTORS

Under the Companies Law, the terms of compensation, including grant of equity-based compensation, of a director of a public company incorporated under the laws of Israel, such as the Company, requires the approval of the compensation committee, the board of directors and, subject to certain exceptions, the shareholders (in that order).

Consistent with the Company's compensation policy and as approved by the Company's Audit and Compensation Committee, the Board of Directors and its shareholders, the Company made the following grants of equity-based compensation to its non-executive and non-external directors since January 1, 2016: (i) on January 26, 2017, each of Messrs. Ehud Aharoni, Shaul Gilad and Michael Gally was awarded options to purchase up to 300,000 Ordinary Shares of the Company, with an exercise price per share of NIS 1.95; (ii) on July 17, 2017, Ms. Vered Raz Avayo was awarded options to purchase up to 300,000 Ordinary Shares of the Company, with an exercise price per share of NIS 6.13; (iii) on June 10, 2018, Mr. Michael Gally, in his capacity as the Chairman of the Company's Board of Directors, was awarded additional options to purchase up to 100,000 Ordinary Shares of the Company, with an exercise price per share of NIS 3.78

---

<sup>1</sup> Other than Mr. Haim Siboni and his daughter, Ms. Sivan Siboni, the grant of the Amended Exculpation Letter to whom was approved by the Company's shareholders on January 28, 2019.

On August 5, 2019 and August 8, 2019, the Audit and Compensation Committee and the Board of Directors of the Company, respectively, approved, and recommended that the Company's shareholders approve, (i) a grant of options to purchase up to 300,000 of the Company's Ordinary Shares under the Company's 2016 Equity Incentive Plan (the "**Plan**") to each of the following members of the Company's Board of Directors: Mr. Michael Gally, Mr. Shaul Gilad, Ms. Vered Raz-Avayo and Mr. Ehud Aharoni, (the "**Eligible Directors**" and the "**Equity Grant**") and (ii) an extension for an additional year of the respective exercise periods of those options to purchase the Company's Ordinary Shares previously granted to the Eligible Directors and vested during 2017 and 2018, so that the exercise period thereof will be four (4) years (the "**Equity Extension**"), all subject to their reappointment as members of the Company's Board of Directors as set forth in Proposal No. 2 above.

The Audit and Compensation Committee and the Board of Directors found the Equity Grant and the Equity Extension reasonable under the circumstances, under market conditions, and that the approval thereof is in the best interests of the Company and is in accordance with the Company's compensation policy.

In making its recommendation with regard to the approval of the Equity Grant and the Equity Extension, the Audit and Compensation Committee and the Board of Directors, each have also considered, among others: (a) the factors included in the Company's compensation policy, including among others, the position, responsibilities, background and experience of the Eligible Directors; (b) that the Equity Grant reflects a fair and reasonable value for the Eligible Directors' services; and (c) the Equity Grant and the Equity Extension are an expression to Company's desire to maintain the threshold of directors' current equity-based compensation, taking into account (i) options previously granted to the Eligible Directors, the major part of which is vested, and (ii) the dilution of the Company's share capital since the previous grant of options to the Eligible Directors.

Subject to their reappointment as members of the Company's Board of Directors as set forth in Proposal No. 2, it is proposed to approve the grant to each of the Eligible Directors of options to purchase up to 300,000 of the Company's Ordinary Shares (which, together with the options granted to each of them (but Mr. Gally) equals approximately 0.39% of the Company's outstanding share capital and 0.29% of the Company's share capital on a fully diluted basis as of the date hereof; and for Mr. Gally 0.45% and 0.34%, respectively) (the "**Options**"). The exercise price of such Options will be NIS 1.95 per share, which is equal to the exercise price of options granted to the Company's employees and certain service providers as recently amended by the Company, and 50% higher than the Company's average share price on the Tel Aviv Stock Exchange in the last 30 trading days prior to the date of the approval by the Company's Board of Directors. The Options shall vest quarterly as of August 1, 2019 and over a period of 36 months in 12 equal portions. The vesting of Options shall accelerate upon termination of an Eligible Director's service with the Company, resulting from a change of control in the Company or other exit event. Each vested Option shall be exercisable for a period of 36 months following its vesting date, and any portion of the Options that has not been exercised by such date shall terminate and not be exercisable thereafter. In the event that any of the Eligible Directors will cease to serve on the Company's Board of Directors (except in certain events specified in the Plan), all of such Eligible Director's unvested options shall expire immediately, and all vested options shall remain exercisable for a period of six months.

The shareholders of the Company are requested to adopt the following resolution:

**“RESOLVED, to grant options to purchase Ordinary Shares of the Company to certain members of the Company’s Board of Directors, subject to their reappointment as members of the Company’s Board of Directors, as set forth in Proposal No. 5 of the Proxy Statement.”**

**“FURTHER RESOLVED, to extend the exercise period of options to purchase Ordinary Shares of the Company, granted to certain members of the Company’s Board of Directors, subject to their reappointment as members of the Company’s Board of Directors, as set forth in Proposal No. 5 of the Proxy Statement.”**

The approval of this proposal, as described above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends that the shareholders vote FOR the above proposal.**

#### **PROPOSAL 6**

##### **TO AMEND MR. MICHAEL GALLY’S TERMS OF COMPENSATION AS THE CHAIRMAN OF THE COMPANY’S BOARD OF DIRECTORS**

Following the approval of the Company’s Audit and Compensation Committee and Board of Directors, the shareholders of the Company are requested to approve an increase from NIS 10,000 to NIS 15,000 in monthly payment to Mr. Michael Gally for his services as Chairman of the Company’s Board of Directors (comprehensive and inclusive of any per-meeting or annual payments payable to Mr. Gally in his capacity as a director in the Company), effective as of the shareholders’ approval of this proposal.

In making its recommendation with regard to the approval of the increase in Mr. Gally’s monthly payment, the Audit and Compensation Committee and the Board of Directors each considered the amount and value of time Mr. Gally actually devotes to the performance of his services.

The Audit and Compensation Committee and the Board of Directors found the increase in Mr. Gally’s terms of compensation reasonable under the circumstances, under market conditions, and that the approval thereof is in the best interests of the Company and is in accordance with the Company’s compensation policy.

The shareholders of the Company are requested to adopt the following resolution:

**“RESOLVED, to amend Mr. Michael Gally’s terms of compensation as the Chairman of the Company’s Board of Directors as set forth in Proposal No. 6 of the Proxy Statement.”**

The approval of this proposal, as described above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends that the shareholders vote FOR the above proposal.**

#### **PROPOSAL 7**

##### **TO AMEND THE TERMS OF THE OPTIONS GRANTED TO THE EMPLOYEES OF MAGNA - B.S.P LTD.**

On July 17, 2017, the shareholders of the Company approved, following the approval of the Company’s Board of Directors and the Audit and Compensation Committee, the grant of options (the **“Magna Options”**) to purchase 970,000 Ordinary Shares under the Plan, to an aggregate of 12 employees and officers of Magna – B.S.P. Ltd. (the **“Magna Personnel”** and **“Magna,”** respectively), the Company’s then controlling shareholder. The Magna Personnel are engaged in providing software development services to Foresight Automotive Ltd., the Company’s wholly owned subsidiary (the **“Subsidiary”**), under the software development agreement between the Subsidiary and Magna, which was approved by the Company’s shareholders on January 28, 2019 for an additional period of up to three years.

The exercise price of the Options is NIS 3.57 per share, and they vest in 12 equal quarterly portions as of January 1, 2017, and over a period of 36 months. Each vested Option is exercisable for a period of 36 months following its vesting date.

On August 5, 2019 and August 8, 2019, the Audit and Compensation Committee and the Board of Directors, respectively, approved a decrease to NIS 1.95 of the exercise price of the Options granted to the Magna Personnel (the “**Repricing**”) and determined that the Repricing is reasonable under the circumstances, and is in the best interests of the Company.

Pursuant to the Companies Law, all Israeli public companies, including Dual Companies, such as the Company, are required to approve transactions with their controlling shareholders by its audit or compensation committee, board of directors and shareholders (in that order). Although the statutory presumptions of ‘a controlling shareholder’ set forth in the Companies Law did not apply to Magna as of the dates on which our Audit and Compensation Committee and the Board of Directors approved the Repricing, nevertheless, for the sake of good order, and taking into consideration that Magna was a controlling shareholder on the date on which the Magna Options were granted and continues to provide service to the Subsidiary, the Company has elected to submit this Proposal to the shareholders, to be approved by Special Majority.

In making its recommendation with regard to the Repricing, the Audit and Compensation Committee and the Board of Directors each considered various factors, including, among others, (a) the Subsidiary’s need to preserve the services provided by the Magna Personnel, in light of the significance and dependence of the Subsidiary on the continuance of such services due to, among others, the Magna Personnel’s extensive knowledge and experience in software development and algorithmic services, and expertise in image processing and electro-optics, and the fact that as the developers of the Company’s core technology, the Magna Personnel have the unique knowledge, capabilities and expertise in the field in which the Company operates. Therefore, the Repricing is intended to incentivize the Magna Personnel, and to align the success of the Company with such individuals’ personal success, and therefore is beneficial to the Company; (b) the Company’s average share price on the Tel Aviv Stock Exchange in the last 30 trading days prior to the date of the approval of the Company’s Board of Directors was NIS 1.3, while the original exercise price of the Options is NIS 3.57, which decreases the likelihood of the Options’ exercise in the foreseeable future; (c) the Company recently decreased to NIS 1.95 the exercise price of options granted to its employees and certain service providers; therefore, the Repricing is intended to create similar incentives to all of the Company’s employees and Magna Personnel.

Except as described above, all other terms of the Options granted to the Magna Personnel shall remain unchanged.

The shareholders of the Company are requested to adopt the following resolution:

**“RESOLVED, to approve the decrease to NIS 1.95 of the exercise price of the Magna Options granted to the Magna Personnel, as set forth in Proposal No. 7 of the Proxy Statement.”**

The approval of this proposal, as described above, requires the affirmative vote of a Special Majority (as defined in this proxy statement).

**The Board of Directors unanimously recommends that the shareholders vote FOR the above proposal.**

- 9.16. A declaration signed by a director that a share has been forfeited, surrendered or sold by the Company by virtue of a charge, shall be conclusive evidence of the facts therein stated against all persons claiming to be entitled to any rights for the share. The purchaser of the share relying on the said declaration shall not be bound to ascertain that such sale proceedings, re-allocation or transfer were duly performed, or the extent of the consideration, and after his name has been registered in the Shareholders' Register shall have full title for such share.

#### **10. Transfer of Shares and their Transmission**

- 10.2. Where the Board of Directors has refused to approve a transfer of shares, it shall provide notice thereof to the transferor, by no later than 7 days from the date of receiving a deed of transfer. If the Board of Directors of the Company has not notified the transferor within 7 days as aforesaid, the Board of Directors shall no longer be able to refuse to approve the shares transfer.
- 10.3. No transfer of shares shall be registered unless a proper deed of transfer has been delivered to the Company and signed by the transferor and the transferee. The Company may refuse to recognize the deed of transfer, unless it is accompanied by the share certificate, if such has been issued, for the transferred shares. The transferor shall be deemed as having remained the shareholder until the name of the transferee has been registered in the Shareholders' Register in respect to the transferred share. The Board of Directors may demand any other proof for the transferor's title to the shares or his entitlement to transfer the shares.

- 10.4. The deed of transfer for the share shall be drafted in the following form or in form as similar as possible to it, or in a customary or acceptable form to be approved by the Board of Directors:

I, \_\_\_\_\_ of \_\_\_\_\_, for consideration in the amount of NIS \_\_\_\_\_ paid to me by \_\_\_\_\_ of \_\_\_\_\_ (hereinafter: "the Transferee"), hereby transfer to the Transferee \_\_\_\_\_ shares of NIS \_\_\_\_ each, numbered \_\_\_\_\_ to \_\_\_\_\_ (inclusive) of the Company called \_\_\_\_\_, to be held by the Transferee, the administrators of his estate, his guardians and proxies, in accordance with the terms whereby I, the Transferee, his administrators of the estate, guardians and proxies held such shares immediately prior to signing this deed, and I, the Transferee, hereby agree to receive the aforesaid shares, in accordance with the aforesaid terms.
