This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Foresight

Foresight Autonomous Holdings Ltd. (Nasdaq and TASE: FRSX), founded in 2015, is a technology company engaged in the design, development and commercialization of sensors systems for the automotive industry. Through the company's wholly owned subsidiaries, Foresight Automotive Ltd. and Eye-Net Mobile Ltd., Foresight develops both "in-line-of-sight" vision systems and "beyond-line-of-sight" cellular-based applications. Foresight's vision sensor is a four-camera system based on 3D video analysis, advanced algorithms for image processing, and sensor fusion. Eye-Net Mobile's cellular-based application is a V2X

(vehicle-to-everything) accident prevention solution based on real-time spatial analysis of clients' movement.

The company's systems are designed to improve driving safety by enabling highly accurate and reliable threat detection while ensuring the lowest rates of false alerts. Foresight is targeting the semi-autonomous and autonomous vehicle markets and predicts that its systems will revolutionize automotive safety by providing an automotive-grade, cost-effective platform and advanced technology.
