Background

Both Series of Notes are listed on the SGX-ST. The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this joint announcement. Approval in-principle from, admission to the Official List of, and listing and quotation of the Notes on, the SGX-ST are not to be taken as an indication of the merits of the relevant Issuer or the relevant Notes.

As of the date of this joint announcement, an aggregate principal amount of US\$1,025,361,000 of the 2022 Notes and an aggregate principal amount of US\$446,009,000 of the 2023 Notes remain outstanding.

The 2022 Notes Issuer is making an offer to purchase for cash of the 2022 Notes, upon the terms and subject to the conditions set forth in the Offer to Purchase, up to the 2022 Notes Maximum Acceptance Amount at the 2022 Notes Purchase Price.

The 2023 Notes Issuer is making an offer to purchase for cash of the 2023 Notes, upon the terms and subject to the conditions set forth in the Offer to Purchase, up to the 2023 Notes Maximum Acceptance Amount at the 2023 Notes Purchase Price.

As of the date of this joint announcement, the relevant Issuer has made available to the Eligible Holders the Offer to Purchase setting out, among other things, the terms and the New Issue Condition and other conditions of the Offers.

The 2022 Notes Issuer is conducting a Concurrent New Money Issuance. The Concurrent New Money Issuance is not part of the Offers and is conducted pursuant to a separate offering circular. The Aggregate Maximum Acceptance Amount of the Offer to Purchase will be up to the New Issue Amount, although the Issuers reserve the right, in their respective sole and absolute discretion, to accept significantly more or significantly less than such amount. The Issuers plan to announce the Aggregate Maximum Acceptance Amount on or about May 12, 2021. The Offer to Purchase is subject to, among others, the

New Issue Condition. The New Notes are expected to be priced on or about May 11, 2021.

The Offers

Upon the terms and subject to the New Issue Condition and other conditions of the Offers, the 2022 Notes Issuer is offering to purchase for cash of an aggregate principal amount of the 2022 Notes up to the 2022 Notes Maximum Acceptance Amount. The 2023 Notes Issuer is offering to purchase for cash of an aggregate principal amount of the 2023 Notes up to the 2023 Notes Maximum Acceptance Amount. The relevant Issuer will determine, in its sole and absolute discretion, the relevant Series Maximum Acceptance Amount.

Purchase Price

The 2022 Notes Purchase Price payable to the Eligible Holders whose 2022 Notes are accepted for purchase will be equal to US\$1,014 for each US\$1,000 in principal amount of the 2022 Notes. The 2023 Notes Purchase Price payable to the Eligible Holders whose 2023 Notes are accepted for purchase will be equal to US\$1,008 for each US\$1,000 in principal amount of the 2023 Notes.

Accrued Interest Payment

The relevant Issuer will also pay an Accrued Interest Payment in respect of the relevant Series of Notes accepted for purchase pursuant to the relevant Offer on the Settlement Date.

Acceptance Priority Level and Proration

The Notes will be purchased in accordance with the Acceptance Priority Level (in numerical priority order) as set forth in the table above. The Issuer will:

1. apply the Aggregate Maximum Acceptance Amount (the “**2022 Notes Maximum Acceptance Amount**”) first to purchase the 2022 Notes validly tendered, and
2. thereafter, to the extent any amount remains (the excess, if any, of the Aggregate Maximum Acceptance Amount over the aggregate principal amount of the 2022 Notes validly tendered and accepted for purchase by the Issuer, the “**2023 Notes Maximum Acceptance Amount**”), to purchase the 2023 Notes validly tendered.

Each of the 2022 Notes Maximum Acceptance Amount and the 2023 Notes Maximum Acceptance Amount is referred to as a “**Series Maximum Acceptance Amount.**” In each of the steps 1-2 above with respect to each Series of Notes, the relevant Issuer reserves the right, in its sole discretion, to accept for purchase Notes in an amount less than, but not more than, the Series Maximum Acceptance Amount.

If the aggregate principal amount of the 2022 Notes validly tendered is higher than the 2022 Notes Maximum Acceptance Amount

If the aggregate principal amount of the 2022 Notes validly tendered exceeds the 2022 Notes Maximum Acceptance Amount (or, if the 2022 Notes Issuer exercises its discretion to accept Notes in an amount less than the 2022 Notes Maximum Acceptance Amount, such lesser amount), the 2022 Notes Issuer will accept for purchase such 2022 Notes validly tendered on a pro rata basis from among such tendered 2022 Notes, such that the principal amount of the 2022 Notes purchased shall not exceed the 2022 Notes Maximum Acceptance Amount (or, if applicable, the lesser amount described above).

If the aggregate principal amount of the 2023 Notes validly tendered is higher than the 2023 Notes Maximum Acceptance Amount

If applicable, the 2023 Notes Issuer will apply the 2023 Notes Maximum Acceptance Amount to repurchase the 2023 Notes validly tendered. In this case, if the aggregate principal amount of the 2023

Notes validly tendered exceeds the 2023 Notes Maximum Acceptance Amount (or, if the 2023 Notes Issuer exercises its discretion to accept Notes in an amount less than the 2023 Notes Maximum Acceptance Amount, such lesser amount), the 2023 Notes Issuer will accept for purchase such 2023 Notes validly tendered on a pro rata basis from among such tendered 2023 Notes, such that the principal amount of the 2023 Notes purchased shall not exceed the 2023 Notes Maximum Acceptance Amount (or, if applicable, the lesser amount described above).

In all cases, the relevant Issuer will round downward, if necessary, to ensure all purchases of the relevant Series of Notes will be in a minimum principal amount of US\$200,000 and integral multiples of US\$1,000 in excess thereof. However, the relevant Issuer may elect to accept or reject such tender of the relevant Series of Notes in full if application of proration will otherwise result in either (i) the relevant Issuer accepting the relevant Series of Notes from any Eligible Holder in a principal amount of less than US\$200,000 or (ii) the principal amount of the relevant Series of Notes not purchased due to *pro rata* application being less than US\$200,000. All Notes not accepted as a result of proration will be returned to the Eligible Holders.

Conditions

The Offer to Purchase is subject to the conditions described under “*Further Information and Terms and Conditions — General Conditions of the Offers*,” including, among others, the New Issue Condition. Notwithstanding anything to the contrary contained in this Offer to Purchase or in any other document related to the Offer to Purchase, in each Offer, the relevant Issuer expressly reserves the right, at their respective discretion and regardless of whether any of the conditions described under “*Further Information and Terms and Conditions — General Conditions of the Offers*” have been satisfied, subject to applicable law, at any time to (i) terminate the relevant Offer, in whole or in part, (ii) waive any of the conditions described herein, in whole or in part, (iii) extend the Offer Expiration Deadline or Settlement Date, (iv) amend the terms of the relevant Offer and/or (v) modify the form or amount of the consideration to be paid pursuant to this Offer to Purchase. The New Notes are expected to be priced on or about May 11, 2021.

Sources of Funds

The Company intends to finance the Offers with the proceeds from the Concurrent New Money Issuance and/or its working capital.

Tender Instructions

In order to participate in the Offers, Eligible Holders must validly tender their Notes for purchase by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Information and Tender Agent by the Expiration Deadline, unless extended, re-opened, amended and/or terminated as provided in the Offer to Purchase.

Eligible Holders are advised to check with any bank, securities broker or other intermediary through which they hold Notes when such intermediary would need to receive instructions from an Eligible Holder in order for that Eligible Holder to be able to participate in the Offers by the deadline specified in the Offer to Purchase. The deadline set by any such intermediary and each Clearing System for the submission of Tender Instructions will be earlier than the deadline specified in the Offer to Purchase.

Separate Tender Instructions must be submitted on behalf of each individual beneficial owner due to potential proration. Tender Instructions will be irrevocable once delivered in accordance with the terms of the Offers.

The 2022 Notes and the 2023 Notes purchased pursuant to the Offers will be cancelled.

Dealer Managers and Information and Tender Agent

Eligible Holders must make their own decision as to whether to offer to tender any of their Notes, and, if so, the principal amount of such Notes to tender.
