Explanations:

1. Report must also include holdings of other securities (other than BONDS), including those not listed for trading.
2. In cases where holdings in non-convertible bonds need to be reported, the holdings can be attached as a PDF in the designated field at the end of section B, in accordance with Legal Staff Position No. 104-21: [Link](#). The PDF should be structured and contain the same details as the Excel file published by the authority.
3. If an interested party holds more than one type of security, state the holding percentage (including full dilution) for all securities in a single row.
4. This form should specify the holdings status of all interested parties, including those whose holdings have not changed.
5. If an interested party is a material subsidiary, holdings must be split between shares acquired before the Companies Law, 1999 took effect (providing equity and voting rights) and dormant shares acquired after the law took effect.
6. If the interested party is a corporation, also specify the full first name of the final controlling shareholder(s). If no controlling shareholder, provide interested party details.
7. If a senior officer holds 5% or more of the issued share capital or voting rights, detail their holdings in the "interested parties" table (section A above).
8. If an interested party/senior officer also holds securities in a material subsidiary, details should be given in the "comments" field for such holdings.

Details Regarding the Controlling Shareholder of the Company

_As detailed in Regulation 21A of the Company's annual report for 2024 published on March 20, 2025 (Reference: 2025-01-018556), which is incorporated here by reference, the controlling shareholder in the Company is Norstar Holdings Inc. ("Norstar"), a foreign resident company registered in Panama, whose securities are traded on the Tel Aviv Stock Exchange. The controlling shareholder of Norstar is Mr. Chaim Katzman, who holds, through private companies he controls and his family, approximately 9.26% of Norstar's issued share capital and voting rights (including full dilution), directly and indirectly, through First US Financial LLC ("FUF") holding about 7.34% of Norstar's share capital and voting rights (including full dilution), and through Aurora Capital Holdings LLC ("Aurora"), holding about 13.13% of Norstar's share capital and voting rights (including full dilution). Aurora and FUF, together with Mr. Katzman, comprise the "Katzman Group". In addition, the Katzman Group is considered to be acting together, as defined by the Israeli Securities Law, with Katzman Family Foundation, which holds about 2.78% of Norstar's issued share capital and voting rights (including full dilution). In addition to the Katzman Group's holdings in Norstar, Mr. Katzman and Aurora directly hold about 0.22% and 0.43% respectively of the Company's share capital and voting rights (about 0.18% and 0.35% on a fully diluted basis).

Moreover, on March 27, 2022, Mr. Chaim Katzman, the controlling shareholder, entered into an agreement with E.Y.L. Sela 1991 Ltd. ("Sela"), under which Sela granted Mr. Katzman a proxy to vote all Sela's shares in Norstar (comprising about 3.85% of the Company's share capital and voting rights as of the date of this report), as may exist from time to time. The agreement grants the Katzman Group a right of first refusal regarding any Norstar securities Sela wishes to sell, and Katzman grants Sela tag-along rights in case the Katzman Group sells Norstar shares, except for transfers to permitted transferees. According to the agreement, Sela became part of Norstar's control group. The agreement will remain in force until the earlier of five years from its execution or when any party (including permitted transferees) no longer holds Norstar securities. Thus, Sela is part of the control group of Norstar.
