Dear Sir/Madam,

Re: Transfer to the Maintenance List

1. Pursuant to our circulars dated July 11, 2023 and January 7, 2024, TASE reviewed the companies data as of January 28, 2024.
According to the data, the companies GAON HOLDINGS and BRACK CAPIT N V are in non-compliance with the **public holdings percentage** and don't meet the conditions of the exemption for this cause.
2. In light of the companies non-compliance with the requirement for public holdings percentage, their securities, as detailed below, will be transferred to the maintenance list on January 31, 2024.

Company's name	Issuer no.	Security type	ISIN No.	Maintenance cause
GAON HOLDINGS	1452	Ordinary share	IL0011047441	public holdings percentage
		Convert bond 4	IL0011983249	
BRACK CAPIT N V	1560	Ordinary share	NL0009690619	public holdings percentage

The letter M will be added to the companies names and to their securities names.

3. According to TASE's Rules, a security that is traded on the maintenance list shall be delisted from trade if 48 months have passed from the date on which the security ceased to be traded in the framework of the main list, and the conditions for the renewal of its trade therein on the main list have not been fulfilled.

sincerely,
