The affirmative vote of the holders of a majority of the Company's ordinary shares participating and voting at the Meeting, in person or by proxy, is required to adopt each of proposals 1, 2 and 3 to be presented at the Meeting.

Proposal 4 does not involve a vote of our shareholders.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes and abstentions are not considered votes cast on that proposal, but they will be counted to determine if a quorum is present. Quorum

The presence, in person or by properly executed proxy, of two or more shareholders, holding shares conferring in the aggregate at least 25% of the voting power of the Company, is necessary to constitute a quorum at the Meeting. If within one-half of an hour from the time appointed for the Meeting a quorum is not present, the Meeting will be adjourned to the same day in the next week, at the same time and place, or to such later day and at such other time and place as the Chairman of the Meeting may determine with the consent of a majority of the voting power present at the meeting, in person or by proxy, and voting on the question of adjournment.

I. ELECTION OF DIRECTORS
(Item 1 on the Proxy Card)

Each of our Directors, with the exception of our external Directors, serves from the annual general meeting in which he or she were appointed until the next annual general meeting and until that Director's successor is appointed, unless his or her office is earlier vacated under any relevant provision of the Articles of Association of the Company or the law.

Under the Company's Articles of Association, the number of members of the Board of Directors shall be not less than five (5) and not more than nine (9). The general meeting of our shareholders has set the current number of Directors at eight (8), of which two are external Directors.

In general, the NASDAQ Stock Market Rules require that the Board of Directors of a NASDAQ-listed company have a majority of independent directors and its audit committee must have at least three members and be comprised only of independent directors, each of whom satisfies the respective "independence" requirements of NASDAQ. Foreign private issuers, such as our company, are generally permitted to follow home country corporate governance practices instead of the comparable requirements of the NASDAQ Stock Market Rules. Our Board of Directors has determined that three out of the six members of our Board who are nominated for re-election to our Board of Directors and our two external Directors, qualify as independent Directors under NASDAQ requirements.

In accordance with Israeli law and practice, our Board of Directors is authorized to recommend to our shareholders director nominees for election. Accordingly, our Board has nominated the Directors named below for re-election to our Board of Directors. We are unaware of any reason why any of the nominees, if re-elected, should be unable to serve as a Director. All nominees listed below have advised our Board of Directors that they intend to serve as Director if re-elected.

Messrs. Jeremy Blank, Amiram Boehm, Ishay Davidi, Gilead Halevy, Amiram Levinberg and Kainan Rafaeli are nominated for re-election. The Company has two additional Directors, who qualify as "external Directors" as mandated by the Israeli Companies Law; Dr. Leora Meridor who is to continue in office until December 30, 2014 and Mr. Haim Benyamini, who is to continue in office until May 27, 2014.

**II. APPROVAL OF CASH COMPENSATION TO NON-EMPLOYEE DIRECTORS
(EXCLUDING EXTERNAL DIRECTORS)
(Item 2 on the Proxy Card)**

In accordance with the Israeli Companies Law, subject to certain exceptions, the payment of compensation to directors of a public company, whether in their capacity as directors or otherwise, requires the approval of the compensation committee, the Board of Directors and the shareholders.

The Company's Compensation Committee and the Board of Directors approved and recommended that our shareholders approve, that the cash compensation payable to our non-employee Directors (excluding external Directors) appointed at this meeting and from time to time in the future shall be NIS 93,690 as annual compensation payable quarterly (currently equivalent to approximately \$26,692), and an additional fee of approximately NIS 1,924 (currently equivalent to approximately \$548) for each Board or Board committee meeting attended. These rates are similar to the rates that we have paid to our non-employee Directors since 2005, linked to the consumer price index. Payment for telephone meetings (or a meeting held by other similar means) shall be equal to 60% of the abovementioned amount and payment for written resolutions shall be equal to 50% of the abovementioned amount. All the above amounts are linked to changes in the Israeli consumer price index as of September 2013 and subject to changes in the amounts payable pursuant to Israeli law applicable to external directors from time to time.

In addition to the cash compensation, during the three years preceding the date of this proxy statement each of our Non-employee Directors was granted 50,000 options exercisable into ordinary shares of the Company, as previously approved by the shareholders.

The cash compensation described above is in compliance with the Company's Compensation Policy and subject to mandatory provisions of the law.

It is therefore proposed that at the Meeting the following resolution be adopted:

“RESOLVED, to approve the cash compensation to all non-employee Directors (excluding external Directors) appointed at this meeting and from time to time in the future, as approved by the Compensation Committee and the Board of Directors as described herein above.”

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

**III. RATIFICATION AND APPROVAL OF REAPPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTANTS**
(Item 3 on the Proxy Card)

Kost Forer Gabbay & Kasierer, registered public accountants, and a Member of Ernst & Young Global, has been our independent public accountants for over seven years. At the Meeting, shareholders will be asked to ratify and approve the re-appointment of Kost Forer Gabbay & Kasierer as our independent registered public accountants for the fiscal year ending December 31, 2013 and for such additional period until the next annual general meeting of shareholders. As a result of Kost Forer Gabbay & Kasierer's familiarity with our operations and their reputation in the auditing field, our Audit Committee and Board of Directors believe that the firm has the necessary personnel, professional qualifications and independence to act as our independent registered public accountants.

At the Meeting, shareholders will also be asked to provide the Board of Directors with general authorization to determine the compensation of our independent registered public accountants. The Board of Directors will set the compensation following pre-approval and recommendation of the Company's Audit Committee. The following table sets forth, with respect to fiscal year 2012, the fees billed to us by Kost Forer Gabbay & Kasierer and the percentage of each of the fees out of the total amount paid to it.

(2) Tax fees are fees for professional services rendered for tax compliance, tax planning and tax advice on actual or contemplated transactions.

In accordance with the Company's procedures, our Audit Committee has approved all audit and non-audit services provided to the Company and to its subsidiaries during the periods listed above.

"RESOLVED, that Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, be, and hereby is, reappointed as independent registered public accountants of the Company for the fiscal year ending December 31, 2013 and for such additional period until the next annual general meeting of shareholders; and that the Board of Directors of the Company be, and hereby is, authorized to fix now and in the future the compensation of the Company's independent accountants."

If the appointment of Kost Forer Gabbay & Kasierer is not approved by our shareholders, or if Kost Forer Gabbay & Kasierer ceases to act as our independent registered public accountants, the Board will recommend another independent registered public accounting firm.

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, is required to approve the foregoing resolution.

The Board of Directors and Audit Committee recommend a vote FOR the foregoing resolution.

Board Practices

Election of Directors

Our Articles of Association provide that our Board of Directors shall consist of not less than five and not more than nine Directors as shall be determined from time to time by a majority vote at the general meeting of our shareholders. On January 31, 2011, our shareholders resolved to set the number of our Board of Directors at eight, including two external Directors.

Pursuant to our Articles of Association, each beneficial owner of 14% or more of our issued and outstanding ordinary shares is entitled to appoint, at each annual general meeting of our shareholders, one member to our Board of Directors, provided that a total of not more than four Directors are so appointed. In the event that more than four qualifying beneficial owners notify us that they desire to appoint a member to our Board of Directors, only the four shareholders beneficially owning the greatest number of shares shall each be entitled to appoint a member to our Board of Directors. So long as our ordinary shares are listed for trading on NASDAQ, we may require that any such appointed Director qualify as an “independent director” as provided for in the NASDAQ rules then in effect. Our Board of Directors has the right to remove any such appointed Director when the beneficial ownership of the shareholder who appointed such Director falls below 14% of our issued and outstanding ordinary shares.

Our Articles of Association provide that a majority of the voting power at the annual general meeting of our shareholders will elect the remaining members of the Board of Directors, including external Directors as required under the Companies Law. At any annual general meeting at which Directors are appointed pursuant to the preceding paragraph, the calculation of the vote of any beneficial owner who appointed a Director pursuant to the preceding paragraph shall not take into consideration, for the purpose of electing the remaining Directors, ordinary shares constituting 14% of our issued and outstanding ordinary shares held by such appointing beneficial owner.

Each of our Directors (except for external Directors) serve, subject to early resignation or vacation of office in certain circumstances as set forth in our Articles of Association, until the adjournment of the next annual general meeting of our shareholders next following the general meeting in which such Director was elected. The holders of a majority of the voting power represented at a general meeting of our shareholders in person or by proxy will be entitled to (i) remove any Director(s), other than external Directors and Directors appointed by beneficial holders of 14% or more of our issued and outstanding ordinary shares as set forth above, (ii) elect Directors instead of Directors so removed, or (iii) fill any vacancy, however created, in the Board of Directors. Our Board of Directors may also appoint additional Directors, whether to fill a vacancy or in order to bring the total number of serving Directors to the number determined by our shareholders. Such Directors will serve until the next general meeting of our shareholders following such appointment.

Directors appointed by beneficial holders of 14% or more of our issued and outstanding ordinary shares may be removed by our Board of Directors when the beneficial ownership of the shareholder who appointed such Director falls below 14% of our ordinary shares.

Currently, no shareholder beneficially holding 14% or more of our issued and outstanding ordinary shares has exercised its right to appoint a Director.

External Directors and Independent Directors

External Directors. Under the Israeli Companies Law, public companies are required to elect at least two external Directors who must meet specified standards of independence. External Directors may not have during the two years preceding their appointment, directly or indirectly through a relative, partner, employer or controlled entity, any affiliation with (i) the public company, (ii) those of its shareholders who are controlling shareholders at the time of appointment, or (iii) any entity controlled by the company or by its controlling shareholders.

The term “affiliation” includes an employment relationship, a business or professional relationship maintained on a regular basis, control and services as an office holder. The term “controlling shareholder” is defined as a shareholder who has the ability to direct the activities of a company, other than if this power derives solely from the shareholder’s position on the Board of Directors or any other position with the company. The definition also includes shareholders that hold 25% or more of the voting rights if no other shareholder owns more than 50% of the voting rights in the company.

In addition, an individual may not be appointed as an external Director in a company that does not have a controlling shareholder, in the event that he has affiliation, at the time of his appointment, to the chairman, chief executive officer, a 5% shareholder or the chief financial officer. An individual may not be appointed as an external Director if his relative, partner, employer, supervisor, or an entity he controls, has other than negligible business or professional relations with any of the persons with which the external Director himself may not be affiliated.

No person can serve as an External Director if the person’s other positions or business creates or may create conflicts of interest with the person’s responsibilities as an external Director. Until the lapse of two years from termination of office, a company may not engage an external Director as an employee or otherwise. If, at the time an external Director is to be appointed, all current members of the Board of Directors, who are not controlling shareholders of the company or their relatives, are of the same gender, then at least one external Director appointed must be of the other gender.

The Israeli Companies Law further requires that external Directors have either financial and accounting expertise or professional competence, as determined by the company’s Board of Directors. Under relevant regulations, a Director having financial and accounting expertise is a person who, due to his or her education, experience and talents, is highly skilled in respect of, and understands, business and accounting matters and financial reports, in a manner that enables him or her to have an in-depth understanding of the company’s financial information and to stimulate discussion in respect of the manner in which the financial data is presented. Under the regulations, a Director having professional competence is a person who meets any of the following criteria: (i) has an academic degree in either economics, business administration, accounting, law or public administration; (ii) has a different academic degree or has completed higher education in an area relevant to the company’s business or in an area relevant to his or her position; or (iii) has at least five years’ experience in any of the following, or has a total of five years’ experience in at least two of the following: (a) a senior position in the business management of a corporation with a substantial scope of business, (b) a senior public position or a senior position in public service, or (c) a senior position in the main field of the company’s business.

At least one of the external directors is required to qualify as a financial and accounting expert, as determined by the Board of Directors. Our Board of Directors has determined that both Dr. Leora Meridor and Mr. Haim Benyamini have "accounting and financial expertise" as defined by the Israeli Companies law.

External directors serve for an initial three-year term. The initial three-year term of service can be extended, at the election of a company subject to certain conditions, by two additional three-year terms. Under regulations adopted under the Companies Law, companies which are dually listed in certain stock exchanges, such as the Company, can re-appoint external directors for additional terms of three years each in case that the audit committee and the Board of Directors approved that due to the expertise and special contribution of the external director to the work of the Board and the Board committees, the re-election of such external director would be in the best interests of the Company. External directors will be elected by a majority vote at a shareholders' meeting, provided that either (i) such majority includes at least half of the shares held by non-controlling shareholders who do not have a personal interest in the matter as a result of their relations with the controlling shareholders who were present and voting at the meeting, vote in favor; or (ii) the total number of shares held by non-controlling shareholders and shareholders who do not have a personal interest in the matter as a result of their relations with the controlling shareholders voted against does not exceed two percent of the aggregate voting rights in the company.

External directors may be re-elected for additional terms by means of one of the following mechanisms: (i) the Board of Directors proposed the nominee and his or her appointment was approved by the shareholders in the manner required to appoint external directors for their initial term, or (ii) a shareholder holding 1% or more of the voting rights proposed the nominee, and the nominee is approved by a majority of the votes cast by the shareholders of the company, excluding the votes of controlling shareholders and those who have a personal interest in the matter as a result of their relations with the controlling shareholders, provided that, the aggregate votes cast by shareholders who are not controlling shareholders and do not have a personal interest in the matter as a result of their relations with the controlling shareholders in favor of the nominee constitute more than two percent of the voting rights in the company.

External directors can be removed from office only by the court or by the same special majority of shareholders that can elect them, and then only if the external directors cease to meet the statutory qualifications with respect to their appointment or if they violate their fiduciary duty to the company. The court may additionally remove external directors from office if they were convicted of certain offenses by a non-Israeli court or are permanently unable to fulfill their position.

If delegated any authority of the Board of directors, any committee of the Board of Directors must include at least one external Director. An external Director is entitled to compensation as provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

The Companies Law requires external directors to submit to the company, prior to the date of the notice of the general meeting convened to elect the external directors, a declaration stating their compliance with the requirements imposed by Companies Law for the office of external Director.

Our Board of Directors currently has two external Directors under Israeli law: (i) Dr. Leora Meridor, who was initially elected to serve as an external Director at our special general meeting of shareholders held on August 30, 2005 and was reelected for additional three year periods at our annual general meeting of shareholders held on December 30, 2008 and at our annual general meeting of shareholders held on December 29, 2011; (ii) Mr. Haim Benyamini who was initially elected to serve as an external Director at our special general meeting of shareholders held on February 10, 2005 and was reelected for additional three year periods at our special general meeting of shareholders held on May 28, 2008 and at our annual general meeting of shareholders held on January 31, 2011.

Independent Directors. In general, NASDAQ Marketplace Rules require that the Board of Directors of a NASDAQ-listed company have a majority of independent Directors, within the meaning of NASDAQ rules. Our Board of Directors has determined that five out of the eight members of our Board of Directors are independent directors under NASDAQ requirements.

Pursuant to the Israeli Companies Law, a Director may be qualified as an independent Director if such Director is either (i) an external Director; or (ii) a Director that served as a Board member less than nine years and the audit committee has approved that he or she meets the independence requirements of an external Director. A majority of the members serving on the audit committee must be independent under the Israeli Companies Law. In addition, a publicly traded company may elect to adopt a provision in its articles of association pursuant to which a majority of its Board of Directors will be independent. We have not included such a provision in our articles of association since our Board of Directors complies with the independent Director requirements of the NASDAQ Marketplace Rules described above.

Committees of the Board of Directors

Our Articles of Association provide that the Board of Directors may delegate its powers to committees of the Board of Directors as it deems appropriate, to the extent permitted by the Israeli Companies Law. Each committee exercising powers delegated by the Board must include at least one external Director.

Audit Committee. Under the Israeli Companies Law, publicly traded companies must establish an Audit Committee. The Audit Committee must consist of at least three members, and must include all of the company's external directors. A majority of an audit committee must be comprised of "independent directors" (as such term is defined in the Companies Law). The chairman of the Board of Directors, directors employed by, or that provides services on a regular basis to, the company or to a controlling shareholder or a company controlled by a controlling shareholder (or whose main livelihood depends on a controlling shareholder), any controlling shareholder and any relative of a controlling shareholder may not be a member of the audit committee. An audit committee may not approve an action or a transaction with an officer or director, a transaction in which an officer or director has a personal interest, a transaction with a controlling shareholder and certain other transactions specified in the Companies Law, unless at the time of approval two external directors are serving as members of the audit committee and at least one of the external directors was present at the meeting in which an approval was granted.

In addition, the NASDAQ Marketplace Rules require us to establish an audit committee comprised of at least three members, each of whom is financially literate and satisfies the respective “independence” requirements of the Securities and Exchange Commission and NASDAQ and one of whom has accounting or related financial management expertise at senior levels within a company.

Our Audit Committee oversees (in addition to the Board) the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent registered public accountants’ qualifications, independence and compensation, the performance of our internal audit function and independent registered public accountants, finding deficiencies in the business management of our company and proposes to our Board of Directors ways to correct such deficiencies, determine whether certain related party actions and transactions are “material” or “extraordinary” in connection with their approval procedures, approve related-party transactions as required by Israeli law, establish whistle blower procedures (including in respect of the protections afforded to whistle blowers) and such other duties as may be directed by our Board of Directors. The Audit Committee may consult from time to time with our independent auditors and internal auditor with respect to matters involving financial reporting and internal accounting controls.

Our Audit Committee consists of Mr. Benyamini, Dr. Meridor, Mr. Halevy and Mr. Rafaeli. All of the members of our Audit Committee satisfy the respective “independence” requirements of the Securities and Exchange Commission, NASDAQ and Israeli law for audit committee members. Our Board of Directors has determined that Dr. Meridor qualifies to serve as Audit Committee financial expert, as required by the rules of the Securities and Exchange Commission and NASDAQ.

Compensation and Stock Option Committee (“Compensation Committee”). Our Board of Directors has established a Compensation Committee, which offer recommendations to the Board of Directors regarding equity compensations issues (with the Board also approving compensation of our executive officers), and administers our option plans, subject to general guidelines determined by our Board of Directors from time to time. The Compensation Committee also makes recommendations to our Board of Directors in connection with the terms of employment of our chief executive officer and all other executive officers.

Under the Israeli Companies Law, the compensation committee is responsible for: (i) making recommendations to the Board of Directors with respect to the approval of the Compensation Policy applicable to the company’s office holders and any extensions thereto; (ii) providing the board of directors with recommendations with respect to any amendments or updates to the Compensation Policy and periodically reviewing the implementation thereof; (iii) reviewing and approving arrangements with respect to the terms of office and employment of office holders; and (iv) determining whether or not to exempt a transaction with a candidate for chief executive officer from shareholder approval.

Our Compensation Committee consists of Mr. Benyamini, Dr. Meridor and Mr. Rafaeli. All of the members of our Compensation Committee are independent Directors, within the meaning of NASDAQ rules and the Israeli Companies Law.

Nominating Committee. As a foreign private issuer whose shares are listed on the NASDAQ Global Select Market, we are permitted to follow certain home country corporate governance practices instead of certain requirements of NASDAQ Marketplace Rules. We follow Israeli law and practice instead of The NASDAQ Marketplace Rules with respect to the director nominations process. We do not have a nomination committee. Under Israeli law and practice, our Board of Directors is authorized to recommend to our shareholders director nominees for election, and our shareholders may nominate candidates for election as directors by the general meeting of shareholders.
