99.1	Form of Immediate Report of Bezeq - The Israel Telecommunication Corp. Ltd. ("Bezeq"), a controlled subsidiary of B Communications Ltd., the Registrant's controlled subsidiary, filed with the Israel Securities Authority and the Tel Aviv Stock Exchange, with respect to a Class Action Against Pelephone Communications Ltd., dated March 27, 2012.

March 27, 2012

Immediate Report – Class Action Against Pelephone Communications Ltd.

**To: The Tel Aviv Stock Exchange
 The Israeli Securities Authority**

On March 27, 2012, Bezeq - The Israel Telecommunication Corp., Ltd. (the "Company") received a notice from its subsidiary, Pelephone Communications Ltd. ("Pelephone") regarding a claim and a motion to certify the claim as a class action, that was filed against Pelephone with the Tel Aviv District Court.

According to the plaintiffs, who allege that they are Pelephone's customers, Pelephone allegedly misrepresented that it provides high speed Internet, when tests conducted by the plaintiffs allegedly show that the surfing speed is lower than stated by Pelephone and that the actual download speed is 2 MBPS and the actual upload speed is 1 MBPS, on average.

The remedies sought in the claim are an injunction preventing Pelephone from continuing to make the alleged misrepresentations and seeking monetary relief in the aggregate amount of NIS 242 million as a compensation for the damages allegedly suffered by Pelephone subscribers that are described in the claim.

Pelephone is studying the claim and neither Pelephone nor the Company is able, at the present stage, to evaluate the claim's likelihood of success.
