Class Action - Pelephone Communications Ltd.

On February 12, 2013, the Company received a notice from its subsidiary, Pelephone Communications Ltd. ("**Pelephone**") that a claim together with a motion to certify the claim as a class action had been filed against it with the Nazareth District Court.

According to the Petitioner, as a result of a nationwide malfunction to Pelephone's network as of 7:00 p.m. on February 3, 2013, he, along with Pelephone's other customers, were cut off from Pelephone's services for several hours and were unable to use their cellular devices for outgoing and incoming calls and messages. The Petitioner alleges that they suffered various forms of damage as a result.

The aggregate claim amount is NIS 450 million. Pelephone is studying the claim and neither Pelephone and/nor the Company is able, at the present stage, to evaluate the claim's likelihood of success.
