99.1	Form of the Immediate Report of Bezeq - The Israel Telecommunication Corp. Ltd. ("Bezeq"), a controlled subsidiary of B Communications Ltd., the Registrant's controlled subsidiary, filed with the Israel Securities Authority and the Tel Aviv Stock Exchange, with respect to a Claim and a Motion to Certify the Claim as a Class Action against DBS Satellite Service (1998) Ltd.

July 7, 2013

**Immediate Report – Class Action Against DBS Satellite Service (1998) Ltd.**

**To:   The Tel Aviv Stock Exchange  
      The Israeli Securities Authority**

On July 4, 2013, Bezeq - The Israel Telecommunication Corp., Ltd. (the “Company”) received a notice from DBS Satellite Service (1998) Ltd. (“DBS”), regarding a claim and a motion to certify the claim as a class action, that was filed against DBS and Hot Telecommunication Systems Ltd. (together with DBS, “the Defendants”) with the District Court in the Central District.

The plaintiffs claim that the Defendants violated the communication laws for years by advertising and promoting different commercial companies within their broadcasts. The plaintiffs request the Court to determine that the allegedly illegal commercial advertisement made by the Defendants give rise to a right for monetary compensation to the class members, at least in the amount equal to the gains made by the Defendants from such commercials. The plaintiffs request additional compensation for, among other things, breach of contract and damaging the autonomy of free will. The plaintiffs did not mention the total monetary amount requested in their claim.

DBS is studying the claim and neither DBS nor the Company is able, at the present stage, to evaluate the claim's likelihood of success.
