Further to the description in section 4.15.1 (subsections (a) and (c)) of the chapter containing a description of the Company's business affairs in its periodic report for 2015 ("Barnea Report") regarding two claims and class action certification motions which were filed against the subsidiary, Bezeq International Ltd. The approval of the settlement arrangement brings the claims to an end and *res judicata* applies to all the arguments therein, to the extent they pertain to Bezeq International.
