**About Kenon**

Kenon is a holding company that operates dynamic, primarily growth-oriented businesses. The companies it owns, in whole or in part, are at various stages of development, ranging from established, cash-generating businesses to early stage development companies. Kenon's businesses consist of:

- IC Power (100% interest) – a leading owner, developer and operator of power generation and distribution facilities in the Latin American, Caribbean and Israeli power markets;
- Qoros (50% interest) – a China-based automotive company;
- ZIM (32% interest) – an international shipping company; and
- Primus Green Energy, Inc. (91% interest) – an early stage developer of alternative fuel technology.

Kenon remains committed to its strategy to realize the value of its businesses for its shareholders. In connection with this strategy, Kenon may provide its shareholders with direct access to its businesses, which may include spin-offs, listings, offerings, distributions or monetization of its businesses. Kenon is actively exploring various ways to materialize this strategy in a rational and expeditious manner. For further information on Kenon's businesses and strategy, see Kenon's publicly available filings, which can be found on the SEC's website at [www.sec.gov](http://www.sec.gov).
