Remarks & Clarifications:

1. If the change affects more than one security, show each security’s change in a separate row.
2. Change date – all same-type changes to the same security on one day are summarized in one row. Separate changes via TASE clearinghouse and those in company books.
3. For decreases, prefix '-' to the quantity.
4. All quantity fields should denote the number of securities, not the value in NIS par value.
