*Explanations:*

1. If the change affects more than one security, specify the impact per security in a separate row.
2. Change date – all changes of the same type, in the same security, performed on the same day, are summarized in one row. For this matter – separate changes executed via the clearinghouse from those directly in company records.
3. For a decrease, add the sign "-".
4. All quantity fields must record the quantity of securities and not NIS par value.
