About Magic Software

Magic Software Enterprises Ltd. (NASDAQ: MGIC) is a global provider of on-premise and cloud-enabled application platform solutions – including full client, rich internet applications (RIA), mobile or Software-as-a-Service (SaaS) modes – and business and process integration solutions. Magic Software has 13 offices worldwide and a presence in over 50 countries with a global network of ISVs, system integrators, value-added distributors and resellers, as well as consulting and OEM partners. The company's award-winning, code-free solutions give partners and customers the power to leverage existing IT resources, enhance business agility and focus on core business priorities. Magic Software's technological approach, product roadmap and corporate strategy are recognized by leading industry analysts. Magic Software has partnerships with global IT leaders including SAP AG, salesforce.com, IBM and Oracle. For more information about Magic Software and its products and services, visit www.magicsoftware.com, and for more about our industry-related news, business issues and trends, read the Magic Software Blog.

Except for the historical information contained herein, the matters discussed in this news release include forward-looking statements that may involve a number of risks and uncertainties. Actual results may vary significantly based upon a number of factors including, but not limited to, risks in product and technology development, market acceptance of new products and continuing product conditions, both here and abroad, release and sales of new products by strategic resellers and customers, and other risk factors detailed in the Company's most recent annual report and other filings with the Securities and Exchange Commission.
