PROXY STATEMENT

2016 ANNUAL GENERAL MEETING OF SHAREHOLDERS

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Magic Software Enterprises Ltd. to be voted at the 2016 Annual General Meeting of Shareholders, or the Meeting, and at any adjournment thereof, pursuant to the accompanying Notice of the Meeting.. The Meeting will be held at 10:00 a.m. (Israel time) on Thursday, December 15, 2016, at our offices at 5 HaPlada Street, Or Yehuda 6021805, Israel.

This Proxy Statement, the attached Notice of the Meeting and the enclosed proxy card are being mailed to shareholders on or about November 10, 2016.

Purpose of the Annual General Meeting

At the Meeting, shareholders will be asked to vote upon the following matters: (i) re-election of three directors for terms expiring at our 2017 Annual General Meeting of Shareholders; and (ii) ratification and approval of the re-appointment of Kost Forer Gabbay & Kasierer, registered public accounting firm, a member firm of Ernst & Young Global, as our independent registered public accounting firm for the year ending December 31, 2016 and authorization of our Board of Directors to delegate to the Audit Committee the authority to fix the compensation of such independent registered public accountants in accordance with the volume and nature of their services. In addition, our auditor's report and consolidated financial statements for the year ended December 31, 2015 will be reviewed and discussed at the Meeting.

Recommendation of the Board of Directors

Our Board of Directors recommends a vote FOR each of the nominees for director listed in this Proxy Statement and FOR all of the other proposals set forth in this Proxy Statement.
Proxy Procedure

Only holders of record of our ordinary shares, par value of NIS 0.1 per share, as of the close of business on November 7, 2016 are entitled to notice of, and to vote in person or by proxy at the Meeting. As of November 7, 2016, the record date for determination of shareholders entitled to vote at the Meeting, there were 44,343,220 outstanding ordinary shares.

- ***Voting in Person.*** If your shares are registered directly in your name with our transfer agent (i.e. you are a "registered shareholder"), you may attend and vote in person at the Meeting. If you are a beneficial owner of shares registered in the name of your broker, bank, trustee or nominee (i.e. your shares are held in "street name"), you are also invited to attend the Meeting; however, to vote in person at the Meeting as a beneficial owner, you must first obtain a "legal proxy" from your broker, bank, trustee or nominee authorizing you to do so.
- ***Voting by Mail.*** You may submit your proxy by mail by completing, signing and mailing the enclosed proxy card in the enclosed, postage-paid envelope, or, for shares held in street name, by following the voting instructions provided by your broker, bank trustee or nominee. If directions are not given or directions are not in accordance with the options listed on a proxy card, such shares will be voted FOR the nominees for director and each proposal for which the Board of Directors recommends a vote FOR.

If voting by virtue of a "legal proxy" or by mail, the proxy must be received by our transfer agent or at our registered office in Israel at least 72 hours prior to the designated time for the Meeting to be validly included in the tally of ordinary shares voted at the Meeting.

Change or Revocation of Proxy

If you are a registered shareholder, you may change your vote at any time prior to the exercise of authority granted in the proxy by delivering a written notice of revocation to our Corporate Secretary, by granting a new proxy bearing a later date, or by attending the Meeting and voting in person. Attendance at the Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

If your shares are held in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or nominee or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the Meeting and voting in person.

Quorum

A quorum of shareholders is necessary to transact business at the Meeting. The presence of two shareholders, holding at least one-third of our voting rights, represented in person or by proxy at the Meeting, will constitute a quorum. If there is not a legal quorum within half an hour of the scheduled time of the Meeting, the Meeting will be adjourned to the same day in the following week at the same time and place or to any other time and place as the chairman of the board of directors may determine with the consent of a majority of the voting power represented at the Meeting, in person or by proxy, and voting on the question of adjournment. At the reconvened Meeting, the presence of at least two shareholders, represented in person or by proxy, will constitute a quorum. This notice shall serve as notice of such reconvened meeting if no quorum is present at the original date and time and no further notice of the reconvened meeting will be given to shareholders.

Abstentions and broker non-votes will be counted towards the quorum. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes.

Majority Vote Standard

Each ordinary share entitles the holder to one vote. An affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve each of the proposals, except as otherwise stated in the proposal.

In tabulating the voting results for any particular proposal, shares that constitute broker non-votes and abstentions are not considered votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the Annual Meeting. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for voting purposes.

We have received indications from our principal shareholder, Formula Systems (1985) Ltd., or Formula Systems, which holds approximately 45.8% of our issued and outstanding ordinary shares, that it presently intends to vote for all of the nominees for director and in favor of all of the other proposals to be acted upon at the Meeting.

Cost of Soliciting Votes for the Annual Meeting

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited in person, by telephone or electronic communication, by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in accordance with the regulations of the Securities and Exchange Commission, or the SEC, concerning the sending of proxies and proxy material to the beneficial owners of our shares.

I. RE-ELECTION OF DIRECTORS
(Item 1 on the Proxy Card)

Our articles of association provide for a board of directors consisting of no less than three and no more than 11 members or such other number as may be determined from time to time at a general meeting of shareholders. Our board of directors is currently composed of five directors, including two external directors.

Pursuant to our articles of association, all of our directors are elected at our annual general meeting of shareholders, which are required to be held at least once during every calendar year and not more than 15 months after the last preceding meeting. Except for our external directors (as described below), our directors are elected by a vote of the holders of a majority of the voting power represented and voting at such meeting and hold office until the next annual meeting of shareholders following the annual meeting at which they were appointed. Directors (other than external directors) may be removed earlier from office by resolution passed at a general meeting of our shareholders. Our board of directors may temporarily fill vacancies in the board until the next annual meeting of shareholders, provided that the total number of directors will not exceed the maximum number permitted under our articles of association.

We are exempt from the NASDAQ Stock Market Rules’ requirement regarding the process for the nomination of directors; instead, we follow Israeli law and practice in accordance with which directors are elected by the shareholders, unless otherwise provided in a company’s articles of association. Our articles of association do not provide otherwise. Our practice has been that our director nominees are presented in our proxy statement for election at our annual meetings of shareholders.

At the Meeting, shareholders are being asked to re-elect each of our current directors who is not an external director, Mr. Guy Bernstein, Ms. Naamit Salomon and Mr. Yehzekel Zeira, to hold office until our 2017 Annual General Meeting of Shareholders and until their successors are elected and qualified. All of the directors standing for re-election at the Meeting were elected to serve in such capacity by our shareholders at our 2015 Annual General Meeting of Shareholders.

As required by Israeli law, each of the director nominees named above has declared in writing that: (i) he or she possesses the requisite skills and expertise, as well as sufficient time, to perform his/her duties as a director of our company; (ii) he or she was not convicted by a conclusive judgment for one of the following offenses less than five years prior to the date of the declaration: (a) an offense under Sections 290 to 297, 392, 415, 418 to 420 and 422 -428 of the Penal Law, 5737-1977, or under Sections 52C, 52D, 53(a) or 54 of the Israeli Securities Law, 5728-1968; (b) by a court outside Israel for bribery, deceit, an offense by a manager of a corporate body or an offense involving misuse of inside information; and (c) for any other offense in respect of which a court holds that, due to the substance, gravity or circumstances of such offense, such person is not fit to serve as director in a public company; (iii) he or she is not subject to a court or committee decision in an administrative enforcement proceeding pursuant to Section 226A of the Israeli Companies Law that prohibits him or her from serving as a director; and (iv) he or she has not been declared bankrupt or incompetent. Such declarations are available for review at our registered office.

If re-elected at the Meeting, we will pay each of Mr. Zeira and Ms. Salomon compensation in the amount equal to the amount paid to our external directors, as provided in the regulations adopted under the Israeli Companies Law. Mr. Bernstein does not receive any compensation for his role as a director.

Set forth below is information about each nominee, including age, position(s) held with our company, principal occupation, business history and other directorships held:

From December 2006 to November 2010, Mr. Bernstein served as a director and the chief executive officer of Emblaze Ltd. or Emblaze, our former controlling shareholder. Mr. Bernstein also serves as the chairman of the board of directors of Sapiens International Corporation N.V., or Sapiens, and is the chairman of the board of directors of Matrix IT Ltd., both of which are subsidiaries of Formula Systems. From April 2004 to December 2006, Mr. Bernstein served as the chief financial officer of Emblaze and he has served as a director of Emblaze since April 2004. Prior to that and from 1999, Mr. Bernstein served as our chief financial and operations officer. Prior to joining our company, Mr. Bernstein was at Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, where he acted as senior manager from 1994 to 1997. Mr. Bernstein holds a B.A. degree in accounting and economics from Tel Aviv University and is a certified public accountant (CPA) in Israel.

Naamit Salomon (51) has served as a director of our company since March 2003 and as Chairman since 2013. Since January 2010, Ms. Salomon has been an officer of Drogis Israel Ltd., a private company. Sc. degree in operations research, both from the Technion - Israel Institute of Technology and has participated in the Harvard Business School program for management development.

For details about beneficial ownership of our shares held by any of these nominees, see above under the title “Security Ownership of Certain Beneficial Owners and Management.” We are not aware of any reason why any of the nominees, if elected, would be unable or unwilling to serve as a director. We do not have any understanding or agreement with respect to the future election of any of the nominees named.

The Board of Directors recommends a vote FOR the election of each of the nominees named above.

Under the Israeli Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, is required to elect as directors the nominees named above.

BOARD OF DIRECTORS; EXTERNAL AND INDEPENDENT DIRECTORS; BOARD COMMITTEES

Board of Directors

According to the Israeli Companies Law and our Articles of Association, the management of our business is vested in our board of directors. The board of directors may exercise all powers and may take all actions that are not specifically granted to our shareholders.

Under the Israeli Companies Law, our board of directors is required to determine the minimum number of directors who must have “accounting and financial expertise” (as such term is defined in regulations promulgated under the Israeli Companies Law). In determining such number, the board of directors must consider, among other things, the type and size of the company and the scope of and complexity of its operations. Our board of directors has determined that at least one director must have “accounting and financial expertise,” within the meaning of the regulations promulgated under the Israeli Companies Law.

External and Independent Directors

External Directors. The Israeli Companies Law requires companies incorporated under the laws of the State of Israel with shares that have been offered to the public in or outside of Israel to appoint at least two external directors. No person may be appointed as an external director if the person or the person’s relative, partner, employer or any entity under the person’s control has or had, on or within the two years preceding the date of the person’s appointment to serve as an external director, any affiliation with the company or any entity controlling, controlled by or under common control with the company. The term “affiliation” includes an employment relationship, a business or professional relationship maintained on a regular basis, control and service as an “office holder” as defined in the Israeli Companies Law, however, “affiliation” does not include service as a director of a private company prior to its first public offering if the director was appointed to such office for the purpose of serving as an external director following the company’s first public offering. In addition, no person may serve as an external director if the person’s position or other activities create or may create a conflict of interest with the person’s responsibilities as an external director or may otherwise interfere with the person’s ability to serve as an external director. If, at the time external directors are to be appointed, all current members of the board of directors are of the same gender, then at least one external director must be of the other gender.

At least one of the external directors must have “accounting and financial expertise” and the other external directors must have “professional qualifications,” as such terms are defined by regulations promulgated under the Israeli Companies Law.

Each committee of the board of directors must include at least one external director and the audit committee must be comprised of at least three directors and include all the external directors. An external director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service. Until the lapse of two years from termination of office, we may not engage an external director to serve as an office holder and cannot employ or receive services from that person, either directly or indirectly, including through a corporation controlled by that person.

Our current external directors are currently Mr. Schliesser and Mr. Ron Ettlinger.

Independent Directors. NASDAQ Stock Market Rules require us to establish an audit committee comprised of at least three members and only of independent directors each of whom satisfies the respective “independence” requirements of the SEC and NASDAQ.

Pursuant to the Israeli Companies Law, a director may be qualified as an independent director if such director is either (i) an outside director; or (ii) a director that serves as a board member less than nine years and the audit committee has approved that he or she meets the independence requirements of an outside director. A majority of the members serving on the audit committee must be independent under the Israeli Companies Law. In addition, an Israeli company whose shares are publicly traded may elect to adopt a provision in its articles of association pursuant to which a majority of its board of directors will constitute individuals complying with certain independence criteria prescribed by the Israeli Companies Law. Pursuant to Israeli regulations adopted in January 2011, directors who comply with the independence requirements of NASDAQ and the SEC are deemed to comply with the independence requirements of the Israeli Companies Law. We have not included such a provision in our articles of association.

Our board of directors has determined that Mr. Schliesser and Mr. Ettlinger both qualify as independent directors under the SEC and NASDAQ requirements and as external directors under the Israeli Companies Law requirements. Our board of directors has further determined that Mr. Yehezkel Zeira qualifies as an independent director under the SEC, NASDAQ and Israeli Companies Law requirements.

We provided NASDAQ with a notice of non-compliance with respect to the NASDAQ requirement that independent directors have regularly scheduled meetings at which only independent directors are present. Instead, we follow Israel law and practice, under which independent directors are not required to hold executive sessions. In compliance with NASDAQ Stock Market Rule 5605(e)(1)(A), our independent directors take a vote in which only independent directors participate with respect to there commendation for election of the nominees by approving the proxy statement draft and the recommendation to elect the directors before the proxy statement is filed.

Committees of the Board of Directors

Audit Committee. Our audit committee, established in accordance with Sections 114-117 of the Israeli Companies Law and Section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our board of directors in overseeing the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants’ qualifications and independence, the performance of our internal audit function and independent public accountants, finding any irregularities in the business management of our company for which purpose the audit committee may consult with our independent auditors and internal auditor, proposing to the board of directors ways to correct such irregularities and such other duties as may be directed by our board of directors. The responsibilities of the audit committee also include approving related-party transactions as required by law. Under Israeli law, an audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two external directors are serving as members of the audit committee and at least one of the external directors was present at the meeting in which an approval was granted.

Our audit committee also serves as our Financial Statement Review Committee, as defined in regulations promulgated under the Israeli Companies Law.

Our audit committee is currently composed of Messrs. Schliesser, Zeira and Ettlinger, each of whom satisfies the respective “independence” requirements of the SEC and NASDAQ. We also comply with Israeli law requirements for audit committee members. Our board of directors has determined that Mr. Ettlinger qualifies as a financial expert. The audit committee meets at least once each quarter.

Compensation Committee. In accordance with the Israeli Companies Law, we have a compensation committee, whose role is to: (i) recommend a compensation policy for office holders and to recommend to the board, once every three years, on the approval of the continued validity of the compensation policy that was determined for a period exceeding three years; (ii) recommend an update the compensation policy from time to time and to examine its implementation; (iii) determine whether to approve the terms of service and employment of office holders that require the committee’s approval; and (iv) exempt a transaction from the requirement of shareholders’ approval in accordance with the provisions of the Israeli companies Law. The compensation committee also has oversight authority over the actual terms of employment of directors and officers and may make recommendations to the board of directors and the shareholders (where applicable) with respect to deviation from the compensation policy that was adopted by the company.

Under the Israeli Companies Law, a compensation committee must consist of no less than three members, including all of the external directors (who must constitute a majority of the members of the committee), and the remainder of the members of the compensation committee must be directors whose terms of service and employment were determined pursuant to the applicable regulations. The same restrictions on the actions and membership in the audit committee as discussed above under “Audit Committee,” including the requirement that an external director serve as the chairman of the committee and the list of persons who may not serve on the committee, also apply to the compensation committee. We have established a compensation committee that is currently composed of our external directors, Mr. Ettlinger and Mr. Schliesser, and Mr. Zeira, an independent director.

Our Compensation Policy was formulated and will be periodically reevaluated in accordance with the following considerations: (i) the advancement of the company’s goals, its work plan and its policy with a long term view; and (ii) the creation of appropriate incentives for the office holders of the company, considering, among other things, the risk management policy of the company; the size of the company and the nature of its operations; and(iii) in connection with the terms of service and employment that include variable components – the contribution of the office holder to the achievement of the company’s goal and to the maximization of its profits, all with a long term view and in accordance with the position of the office holder.

**II. RATIFICATION AND APPROVAL OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTANTS**
(Item 2 on the Proxy Card)

At the Meeting, shareholders will be asked to ratify and approve the re-appointment of Kost Forer Gabbay & Kasierer, registered public accounting firm, a member firm of Ernst & Young Global, as our independent registered public accounting firm for the year ending December 31, 2016 and until the annual general meeting of shareholders to be held in 2017, pursuant to the recommendation of our Audit Committee and Board of Directors. Kost Forer Gabbay & Kasierer has no relationship with us or any of our subsidiaries or affiliates except as independent registered public accountants and, from time to time and to a limited extent, as tax consultants and providers of some audit-related services.

In accordance with applicable law and our Articles of Association, our Board of Directors has delegated to our Audit Committee the authority to determine the remuneration of Kost Forer Gabbay & Kasierer according to the volume and nature of their services. With respect to fiscal year 2015, we paid Kost Forer Gabbay & Kasierer approximately \$266,000 for audit services and approximately \$69,000 for tax services.

It is therefore proposed that at the Meeting the following resolution be adopted:

“RESOLVED, that the appointment of Kost Forer Gabbay & Kasierer, registered public accounting firm, a member firm of Ernst & Young Global, as the independent registered public accountants of Magic Software Enterprises Ltd. to conduct the annual audit of its financial statements for the year ending December 31, 2016 and until its 2017 annual general meeting of shareholders, be and hereby is ratified and approved, and that the Board of Directors be, and it hereby is, authorized to delegate to the Audit Committee the authority to fix the remuneration of such independent registered public accountants in accordance with the volume and nature of their services.”

The Board of Directors recommends a vote FOR the foregoing resolution.

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, is required to approve the foregoing resolution.
